towards issues of faith What Happened to Anna K. Irina Reyn, 2008-08-12 A mesmerizing debut novel that reimagines Tolstoy's classic tragedy *Anna Karenina* for our time. Vivacious thirty-seven-year-old Anna K. is comfortably married to Alex, an older prominent businessman from her tight-knit Russian Jewish immigrant community in Queens. But a longing for freedom is reignited in this bookish, overly romantic and imperious woman when she meets her cousin Katia Zavurov's boyfriend, an outsider and aspiring young writer on whom she pins her hopes for escape. As they begin a reckless affair, Anna enters into a tailspin that alienates her from her husband, family, and entire world. In nearby Rego Park's Bukharian Jewish community, twenty-seven-year-old pharmacist Lev Gavrilov harbors two secret passions: French movies and the lovely Katia. Lev's restless longing to test the boundaries of his sheltered life powerfully collides with Anna's. But will Lev's quest result in life's affirmation rather than its destruction? Exploring struggles of identity, fidelity, and community, *What Happened to Anna K.* is a remarkable retelling of the *Anna Karenina* story brought vividly to life by an exciting young writer. *Understanding Jane Smiley* Neil Nakadate, 1999 In this comprehensive study of Jane Smiley's fiction, Neil Nakadate offers insight into the strikingly imaginative and intellectual range of a Pulitzer Prize-winning writer best known for *A Thousand Acres*. He provides close readings from the early *Barn Blind* to *The All True Travels and Adventures of Lidie Newton* and presents the first extended account of the connections between her life and her work. **The Chronology of American Literature** Daniel S. Burt, 2004 If you are looking to brush up on your literary knowledge, check a favorite author's work, or see a year's bestsellers at a glance, *The Chronology of American Literature* is the perfect resource. At once an authoritative reference and an ideal browser's guide, this book outlines the indispensable information in America's rich literary past, from major publications to lesser-known gems, while also identifying larger trends along the literary timeline. Who wrote the first published book in America? When did Edgar Allan Poe achieve notoriety as a mystery writer? What was Hemingway's breakout title? With more than 8,000 works by 5,000 authors, *The Chronology* makes it easy to find answers to these questions and more. Authors and their works are grouped within each year by category: fiction and nonfiction, poems, drama, literary criticism, and publishing events. Short, concise entries describe an author's major works for a particular year while placing them within the larger context of that writer's career. The result is a fascinating glimpse into the evolution of some of America's most prominent writers. Perhaps most important, *The Chronology* offers an invaluable line through our literary past, tying literature to the American experience: war and peace, boom and bust, and reaction to social change. You'll find everything here, from Benjamin Franklin's *Experiments and Observations on Electricity* to Davy Crockett's first memoir, from Thoreau's *Civil Disobedience* to Edith Wharton's *Ethan Frome*, from meditations by James Weldon Johnson and James Agee to poetry by Elizabeth Bishop. Also included here are seminal works by authors such as Rachel Carson, Toni Morrison, John Updike, and Arthur Schlesinger Jr. Lavishly illustrated and rounded out with handy bestseller lists throughout the twentieth century, lists of literary awards and prizes, and authors' birth and death dates, *The Chronology of American Literature* belongs on the shelf of every bibliophile and

literary enthusiast It is the essential link to our literary past and present *The New York Times Book Review* ,1995
