Thieves Like Us By Edward Anderson:

A Companion to Robert Altman Adrian Danks, 2015-06-22 A Companion to Robert Altman presents myriad aspects of Altman's life, career, influence, and historical context. This book features 23 essays from a range of experts in the field, providing extensive coverage of these aspects and dimensions of Altman's work. The most expansive and wide-ranging book yet published on Altman, providing a comprehensive account of Altman's complete career. Provides discussion and analysis of generally neglected aspects of Altman's career, including the significance of his work in television and industrial film, the importance of collaboration, and the full range and import of his aesthetic innovations. Includes essays by key scholars in Altman studies, bringing together experts in the field, emerging scholars, and writers from a broad range of fields. Multi-disciplinary in design and draws on a range of approaches to Altman's work, being the first substantial publication to make use of the recently launched Robert Altman Archive at the University of Michigan. Offers specific insights into particular aspects of film style and their application, industrial and aesthetic film, and TV history, and particular areas such as the theorisation of space, place, authorship, and gender.

Film and Politics in America Brian Neve, 2004-08-02 In *A Social Cinema: Film Making and Politics in America*, Brian Neve presents a study of the social and political nature of American film by concentrating on a generation of writers from the thirties who directed films in Hollywood in the 1940s. He discusses how they negotiated their roles in relation to the studio system itself, undergoing change, and to what extent their experience in the political and theatre movements of thirties New York was to be reflected in their later films. Focusing in particular on Orson Welles, Elia Kazan, Jules Dassin, Abraham Polonsky, Nicholas Ray, Robert Rossen, and Joseph Losey, Neve relates the work of these writers and directors to the broader industrial, bureaucratic, social, and political developments of the period 1935-1970. With special emphasis on the post-war decade, bringing together archive and secondary sources, Neve explores a lost tradition of social filmmaking in America.

A Companion to Twentieth-Century United States Fiction David Seed, 2010-01-21 Through a wide-ranging series of essays and relevant readings, *A Companion to Twentieth-Century United States Fiction* presents an overview of American fiction published since the conclusion of the First World War. Features a wide-ranging series of essays by American, British, and European specialists in a variety of literary fields. Written in an approachable and accessible style. Pulp Virilities and Post-War American Culture Arthur Redding, 2022-09-10 This book interrogates the repertoire of masculine performance in popular crime fiction and cinema from the 1940s, 50s, and 60s. This critical survey of the back alleys of pulp culture reveals American masculinities to be unsettled, contentious, crisis-ridden, racially fraught, and sexually anxious. Libertarian in their sensibilities, self-aggrandizing in their sentiments, resistant to the lures of upper mobility, scornful of white-collar and corporate culture, the protagonists of these popular and populist works viewed themselves as working-class heroes cast adrift. *Pulp Virilities* explores the enduring

traditions of hard boiled and noir literature casting a critical eye on its depictions of urban life and representations of gender crime labor and race Demonstrating how anxieties and possibilities of American masculinity are hammered out in works of popular culture Pulp Virilities provides a rich cultural genealogy of contemporary American social life **The Crime Novel** Tony Hilfer,2014-07-03 Although rarely distinguished from the detective story the crime novel offers readers a quite different experience In the detective novel a sympathetic detective figure uses reason and intuition to solve the puzzle restore order and reassure readers that right will always prevail In the crime novel by contrast the hero is either the killer the victim a guilty bystander or someone falsely accused and the crime may never be satisfactorily solved These and other fundamental differences are set out by Tony Hilfer in *The Crime Novel* the first book that completely defines and explores this popular genre Hilfer offers convincing evidence that the crime novel should be regarded as a genre distinct from the detective novel whose conventions it subverts to develop conventions of its own Hilfer provides in depth analyses of novels by Georges Simenon Margaret Millar Patricia Highsmith and Jim Thompson He also treats such British novelists as Patrick Hamilton Shelley Smith and Marie Belloc Lowndes as well as the American novelists Cornell Woolrich John Franklin Bardin James M Cain and Fredric Brown In addition he defines the distinctions between the American crime novel and the British showing how their differences correspond to differences in American and British detective fiction This well written study will appeal to a general audience as well as teachers and students of detective and mystery fiction For anyone interested in the genre it offers valuable suggestions of what to read next **The Raymond Chandler Papers** Raymond Chandler,2012-02-27 Selected letters and nonfiction of one of America s most beloved writers reveals the occasionally softer side of the man behind the hard boiled mysteries Library Journal *The Raymond Chandler Papers* brings together the correspondence and other previously uncollected writing of America s undisputed master of crime fiction and creator of the iconic private eye Philip Marlowe revealing all aspects of the great artist s powerful personality and broad intellectual curiosity Featuring a selection of Chandler s previously unpublished early writings including a gripping piece about his combat experiences in World War I and an abandoned profile of the infamous mobster Lucky Luciano *The Raymond Chandler Papers* is a must have for all true fans and an important contribution toward understanding the life and work of the enigmatic man Evelyn Waugh called the greatest living American novelist Since this is Chandler s writing quotable funny even hilarious comments appear on every page Publishers Weekly **Women Screenwriters** Jill Neldes,Jule Selbo,2015-09-29 *Women Screenwriters* is a study of more than 300 female writers from 60 nations from the first film scenarios produced in 1986 to the present day Divided into six sections by continent the entries give an overview of the history of women screenwriters in each country as well as individual biographies of its most influential **A Panorama of American Film Noir (1941-1953)** Raymond Borde,Etienne Chaumeton,2002 This first book published on film noir established the genre a classic at last in translation **Any Resemblance to Actual Persons** Hal Erickson,2017-11-28 Most film buffs know that *Citizen Kane* was based on the life of

Gangster Films Michael L. Stephens, 2024-12-10 The conventions of gangster movies have become well known: the gum-chewing moll, the kiss of death, incorruptible G-men and well-dressed gangsters toting machine guns. The genre was first popularized in the silent era and has continued with such contemporary releases as *Billy Bathgate* and *Bugsy*. Films, actors, directors, producers, cinematographers, plot devices, themes and more are included in this encyclopedic reference work to gangster films. For people, there are biographical sketches that focus on their work in gangster films. The film entries include year of release, distributor, cast and production credits and a brief synopsis. Terms are placed in context of the genre with relevant examples from gangster films given. *Mother Jones Magazine*, 1977-02 *Mother Jones* is an award-winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues. *The Cambridge History of American Literature: Volume 7, Prose Writing, 1940-1990* Sacvan Bercovitch, Cyrus R. K. Patell, 1994 Volume VII of the *Cambridge History of American Literature* examines a broad range of American literature of the past half century, revealing complex relations to changes in society. Christopher Bigsby discusses American dramatists from Tennessee Williams to August Wilson, showing how innovations in theatre anticipated a world of emerging countercultures and provided America with an alternative view of contemporary life. Morris Dickstein describes the condition of rebellion in fiction from 1940 to 1970, linking writers as diverse as James Baldwin and John Updike. John Burt examines writers of the American South, describing the tensions between modernization and continued entanglements with the past. Wendy Steiner examines postmodern fictions since 1970 and shows how the questioning of artistic assumptions has broadened the canon of American literature. Finally, Cyrus Patell highlights the voices of Native American, Asian American, Chicano, gay and lesbian writers, often marginalized but here discussed within and against a broad set of national traditions. *American Modernism (1910-1945)* Roger Lathbury, Jerry Phillips, Patricia Linehan, 2010 A guide to the modernist movement in American literature with information on American modernism, the Lost Generation, modernism in the American novel, the Harlem Renaissance, modernism in poetry and drama and the literary culture of the Moderns.
