**Blossom** Queen Pen,2006-05-23 Queen Pen first rose to stardom as a hit making rap artist then with a popular collection of short stories Situations Now she makes her debut as a novelist with Blossom a love story of ultimate passion and desperate measures Blossom a beautiful schoolgirl gets a taste of the good life when she meets Dude an older charismatic street hustler Lavished with expensive jewelry exotic getaways and most important her first love Blossom s life is transformed But her fairy tale is quickly ended when a murder occurs a murder meant for the two lovers From the streets of Brooklyn to the beaches of

the Dominican Republic Blossom takes us on the rocky journey of falling in love with a hustler T Mac Dude s brother meets a tragic fate and Dude s emotional pain and controlling temper cause him to change his attitude toward Blossom Deceit becomes the new foundation of their relationship and Blossom is left feeling abandoned and betrayed but still in love With the same artistry and honesty that put Queen Pen on top of the charts as a rapper as an author she delivers a rhythmic fast paced urban novel that will teach us a lesson on love      A Good Investment? Amy Brown,2015-11-15 Select students and teachers worked the room at a fundraising event for a New York City public high school Amy Brown calls College Preparatory Academy It was their job to convince wealthy attendants that College Prep with its largely minority and disadvantaged student body and its unusually high rate of graduation and college acceptance was a worthy investment To this end students and teachers tried to seem needy and deserving hoping to make supporters feel generous important and not threatened How much Brown asks does competition for financing in urban public schools depend on marketing and perpetuating poverty in order to thrive And are the actors in this drama deliberately playing up stereotypes of race and class A Good Investment offers a firsthand look behind the scenes of the philanthropic approach to funding public education a process in which social change in education policy and practice is aligned with social entrepreneurship The appearance of success equity or justice in education Brown argues might actually serve to maintain stark inequalities and inhibit democracy Her book shows that models of corporate or philanthropic charity in education can in fact reinforce the race and class hierarchies that they purport to alleviate As their voices reveal the teachers and students on the receiving end of such a system can be critically conscious and ambivalent participants in a school s racialized marketing and image management Timely and provocative this nuanced work exposes the unintended consequences of an education marketplace where charity masquerades as justice

**Brooklyn Fictions** James Peacock,2016-08-25 Vast and diverse Brooklyn is often portrayed in literature as a place of traditional community values and face to face relations distinct from anonymous capital driven Manhattan Brooklyn Fictions discovers what such representations of the New York borough can teach us about diversity and the individual the local and the global Combining analysis of popular texts such as Sister Souljah s The Coldest Winter Ever with more canonical novels such as Jonathan Lethem s The Fortress of Solitude this study draws on the work of a variety of theorists on community and globalization and uses Brooklyn as a case study for an exploration of the complex relationship between romantic ideals of community and global economic forces With cites often depicted as sites of conflict and fear this is a crucial contribution to our understanding of the contemporary urban community and the ethical issues involved in conceptualizing and portraying it in literature      *The Publishers Weekly* ,2009      Deadly Reigns Teri Woods,2005 This is the story of the Reigns Family a mob family that controls the streets and everything moving it is their rise and their fight to stay on top as the world s most notorious crime family      **Book Review Index - 2009 Cumulation** Dana Ferguson,2009-08 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular
