Vasisthas Yoga By Swami Venkatesananda:

Vasiṣṭha's Yoga Swami Venkatesananda, 2010-03-18 This is Swami Venkatesananda's longer Yoga Vasiṣṭha. His two volume book is here offered between two covers. Its purpose is to provide a means to eliminate psychological conditioning and to attain liberation. Containing the instructions of the sage Vasiṣṭha to Lord Rama, this scripture is full of intricately woven tales the kind a great teacher might tell to hold the interest of a student. **The Supreme Yoga** Swami Venkatesananda, 2010-01-01 The Yoga Vasistha has been a favourite book of spiritual seekers in India these several centuries. Its special appeal lies in its thoroughly rational approach and in its presentation of Vedanta as a philosophy to bridge the gulf between the secular and the sacred action and contemplation in human life through a comprehensive and lofty spirituality. This monumental scripture is the greatest help to the spiritual awakening and the direct experience of the Truth. This is certain. If this is what you want, you are welcome to the Yoga Vasistha. An oft recurring expression in this scripture is *kakataliya* a crow alights on the coconut palm tree and at that very moment a ripe coconut falls. The two unrelated events thus seem to be related in time and space though there is no causal relationship. Such is life. Such is creation. But the mind caught up in its own trap of logic questions why invents a why and a wherefore to satisfy itself conveniently ignoring the inconvenient questions that still haunt an intelligent mind. Vasistha demands direct observation of the mind, its motion, its notions, its reasoning, the assumed cause and the projected result and even the observer, the observed and the observation and the realization of their indivisible unity as the infinite consciousness. **The Supreme Yoga [2 Volumes]** Swami Venkatesananda, 2013-01-01 The Supreme Yoga 2 Vols by Swami Venkatesananda. Published by Motilal Banarsidass, Delhi. www.mlbd.co.in info@mlbd.co.in About the Book The Yoga Vasistha is a unique work of Indian philosophy and is highly respected for its practical mysticism. These teachings of Sage Vasistha imparted to Lord Rama contain the true understanding about the creation of the world. The supreme Yoga with Romanised text is a translation into English of this complete work and is accompanied by brief expositions by Swami Venkatesananda. This book brings this storehouse of wisdom to our world and makes the philosophy comprehensible to scholars and common people alike. It is this philosophy of a comprehensive spirituality, rational and practical, that man in the modern age needs to rescue himself from his stagnation of worldliness and put him on the high road of creative living and fulfilment. Soak into the message of each verse and discover the numerous ways in which this truth is revealed to help open your mind. We have a firm hope that this well known towering teaching will provide to everyone the requisite inspiration and solace. *The Supreme Yoga* Swami Venkatesananda, 1976
