Victory Joseph Conrad, 1995 On a rare impulse Swedish Baron and rootless drifter Axel Heyst rescues a sea captain from his debts This uncharacteristic act of kindness has unimagined and tragic repercussions for many people with the reader being left to decide the nature and attainability of ultimate victory **Victory** Joseph Conrad, 1994 The last word of this novel was written on 29 May 1914 And that last word was the single word of the title Those were the times of peace Now that the moment of publication approaches I have been considering the discretion of altering the title page The word **Victory** the shining and tragic goal of noble effort appeared too great too august to stand at the head of a mere novel There was also the possibility of falling under the suspicion of commercial astuteness deceiving the public into the belief that the book had something to do with war Of that however I was not afraid very much What influenced my decision most were the obscure promptings of that pagan residuum of awe and wonder which lurks still at the bottom of our old humanity **Victory** was the last word I had written in peace time It was the last literary thought which had occurred to me before the doors of the Temple of Janus flying open with a crash shook the minds the hearts the consciences of men all over the world Such coincidence could not be treated lightly And I made up my mind to let the word stand in the same hopeful spirit in which some simple citizen of Old Rome would have accepted the Omen The Works of Joseph Conrad , 1923 The Works of

Joseph Conrad: Victory Joseph Conrad, 1923 Victory Joseph Conrad, 2020-01-07 **Victory** is a psychological novel by Joseph Conrad first published in 1915 through which Conrad achieved popular success The New York Times however called it an uneven book and more open to criticism than most of Mr Conrad s best work **VICTORY: an ISLAND TALE JOSEPH CONRAD** Joseph Conrad, 2018-06-25 **VICTORY** An Island Tale by Joseph Conrad 1857 1924 Large Print *Victory* Joseph Conrad, 1998 Set in the Malay Archipelago where Conrad spent much of his youth as an officer in the British Merchant Navy **VICTORY** is a sombre yet brilliant study of good and evil in Conrad s mature manner The characteristic theme of a man

reaching out from his apparently total solitude in sympathy for another human being is explored through the story of Axel Heyst's attempt to rescue a girl from the machinations of a brutal gang. Conrad's extraordinary blend of moral profundity, pathos and bitter irony is conjured up in prose which is at once atmospheric and inimitable. The book is published to coincide with the film starring Rufus Sewell, Sam Neill, William Defoe and Irene Jacob. **Victory** Joseph Conrad, 1963. *Victory* was the last of Conrad's novels to be set in the Malay Archipelago. It tells the story of Axel Heyst who, damaged by his dead father's nihilistic philosophy, has retreated from the world of commerce and colonial exploration to live alone on the island of Samburan. But Heyst's solitary existence ends when he rescues an English girl from her rapacious patron and brings her back to the island. She in turn recalls him to love and life until the world breaks in on them once more with tragic consequences. In this love story, Conrad created two of his psychologically most complex and compelling characters in a narrative of great erotic power. This new edition uses the first edition text and includes a new chronology and bibliography. **Victory (Annotated)** Joseph Conrad, 2019-03-02. *Victory* is a psychological novel by Joseph Conrad first published in 1915 through which Conrad achieved popular success. The New York Times however called it an uneven book and more open to criticism than most of Mr Conrad's best work. **Victory** Joseph Conrad, 2021-06-07. *Victory* also published as *Victory: An Island Tale* is a psychological novel by Joseph Conrad first published in 1915. Through a business misadventure, the European Axel Heyst ends up living on an island in what is now Indonesia with a Chinese assistant. Wang Heyst visits a nearby island when a female band is playing at a hotel owned by Mr Schomberg. Schomberg attempts to force himself sexually on one of the band members, Alma, later called Lena. She flees with Heyst back to his island and they become lovers. Schomberg seeks revenge by attempting to frame Heyst for the murder of a man who had died of natural causes. **Victory** Joseph Conrad, 2024-10-31. *Victory: An Island Tale* is a novel by Joseph Conrad first published in 1915. The story explores themes of isolation, human nature and the complexities of love and sacrifice set against the backdrop of the remote and exotic island of Patuan in the Malay Archipelago. *Victory: An Island Tale* is a rich and complex novel that delves into the intricacies of human relationships, isolation and the moral struggles inherent in the human experience. Through Axel Heyst's journey and his interactions with Lena and the traders, Conrad examines themes of love, redemption and the darker sides of human nature, all set against the evocative backdrop of an exotic island. The novel invites readers to reflect on the nature of victory and the sacrifices required to achieve it in life. **Victory by Joseph Conrad** Joseph Conrad, 2021-08-17. Axel Heyst, a dreamer and a restless drifter, believes he can avoid suffering by cutting himself off from others. Then he becomes involved in the operation of a coal company on a remote island in the Malay Archipelago, and when it fails, he turns his back on humanity once more. But his life alters when he rescues a young English girl, Lena, from Zangiacomo's Ladies Orchestra and the evil innkeeper Schomberg, taking her to his island retreat. The affair between Heyst and Lena begins with her release, but the relationship shifts as Lena struggles to save Heyst from detachment and isolation. Featuring arguably the most interesting hero created by Conrad.

Victory is both a compelling tale of adventure and a perceptive study of the power of love **Victory** Joseph Conrad,2020-03-30 There is as every schoolboy knows in this scientific age a very close chemical relation between coal and diamonds It is the reason I believe why some people allude to coal as black diamonds Both these commodities represent wealth but coal is a much less portable form of property There is from that point of view a deplorable lack of concentration in coal Now if a coal mine could be put into one s waistcoat pocket but it can t At the same time there is a fascination in coal the supreme commodity of the age in which we are camped like bewildered travellers in a garish unrestful hotel And I suppose those two considerations the practical and the mystical prevented Heyst Axel Heyst from going away **Victory (Annotated)** Joseph Conrad,2016-06-24 Victory also published as Victory An Island Tale is a psychological novel by Joseph Conrad first published in 1915 through which Conrad achieved popular success The New York Times however called it an uneven book and more open to criticism than most of Mr Conrad s best work The novel s most striking formal characteristic is its shifting narrative and temporal perspective with the first section from the viewpoint of a sailor the second from omniscient perspective of Axel Heyst the third from an interior perspective from Heyst and the final section It has been adapted into film a number of times **Victory: An Island Tale** Joseph Conrad,2023-05-10 Reproduction of the original **Victory** Joseph Conrad,2018-06-12 Through a business misadventure the European Axel Heyst ends up living on an island in what is now Indonesia with his Chinese assistant Wang Heyst visits a nearby island when a female band is playing at a hotel owned by Mr Schomberg Schomberg attempts to force himself sexually on one of the band members Alma later called Lena She flees with Heyst back to his island and they become lovers Schomberg seeks revenge by attempting to frame Heyst for the murder of a man who had died of natural causes and later by sending three desperadoes Pedro Martin Ricardo and Mr Jones to Heyst s island with a lie about treasure hidden on the island The three die Wang kills one but Lena dies as well and Heyst is overcome with grief and commits suicide **Victory** Joseph Conrad,1923
