Whispers Lauren Lynne,2016-02-18 For Owen high school is difficult enough without adding the stress of knowing that there are some things in this world that only a secret watcher can fix Too bad one of their special abilities isn t repairing relationships because he feels like no one understands Owen wonders what is going on with Lucie who is doing everything she can to avoid him Then there s Tess She s older wiser and seems to really like him but he s afraid that she might just be using him Something strange is happening on campus and his friend Katie is involved And finally his father is not himself blames Owen for everything and threatens to give his secret away Owen is scared plenty of dark watchers are already after him without his father exposing his presence and abilities to the rest of the world Owen and his family must go to Florida in the hope that he and his mentor White Eagle can get to the bottom of what is going on with his father More importantly Owen hopes to discover what is behind the strange potent relationship that his father and grandfather have rekindled after years of not speaking They re afraid it s a trap but what choice do they have It s not in Owen s nature to avoid danger He will go where he is needed Now if he can just make it out alive because girl problems not getting along with his dad and keeping up on homework are nothing compared to what s waiting Insights Lauren Klever,2013-08-22 The adventures of Owen Ryer and friends continue in this third installment of the five book series Dark watchers want to steal his powers and they will stop at nothing to get what they want From kidnapping to murder When is enough enough Can Owen defend the ones he loves or is all hope lost as he battles the greatest evil he has ever known Owen thinks he s battle hardened He has firm control of his gifts and his own watcher to train yet with two years of experience behind him things are not getting any easier As Owen grows in experience so does the darkness and danger Lucie is taken making Owen realize just how much she really means to him but is it her the dark watchers want or is she only the bait in an elaborate trap
