(Illustrated) Leo Tolstoy, 2021-03-17 No library is complete without the classics In early nineteenth century Russia the threat of Napoleon's invasion looms and the lives of millions are about to be changed forever This includes Pierre Bezukhov illegitimate son of an aristocrat Andrew Bolkonski ambitious military scion and Natasha Rostova compassionate daughter of a nobleman All of them are unprepared for what lies ahead Alongside their fellow compatriots a catalog of enduring literary characters Pierre Andrew and Natasha will be irrevocably torn between fate and free will Complete Original Unabridged Illustrated with book end doodles about reading **War and Peace** by Leo Tolstoy, 1904 **War and Peace Vol. 1 & 2** Leo Nikolayevich Tolstoy, 2010-06-01 Leo Tolstoy or Count Lev Nikolayevich Tolstoy 1828-1910 was a Russian writer widely regarded as among the greatest of novelists for his masterpieces War and Peace and Anna Karenina War and Peace's vast canvas includes 580 characters many historical others fictional The story moves from family life to the headquarters of Napoleon from the court of Alexander I of Russia to the battlefields of Austerlitz and Borodino The novel explores Tolstoy's theory of history and in particular the insignificance of individuals such as Napoleon and Alexander War and Peace Leo Tolstoy, 2008-09-02 A grand romantic saga of two noble Russian families and a multitude of lives swept up in the violent tumult of the Napoleonic Wars Leo Tolstoy's War and Peace is considered one of the preeminent literary works of all time Tolstoy originally completed this novel in 1866 but it was not until years later after the author had doubled the book's length with philosophical and historical meditations that the great novel was published More than half a century in the making the result of extraordinary dedication and painstaking research here is Tolstoy's original version of this timeless classic which never made it into print during the author's lifetime Now readers can enjoy the epic and unforgettable story as the novelist originally intended with its subtly different characters dialogue and ending and experience anew the breathtaking masterpiece that has inspired love and devotion for generations War and Peace by Leo Tolstoy, 2017-09-27 We can know only that we know nothing And that is the highest degree of human wisdom Nothing is so necessary for a young man as the company of intelligent women If everyone fought for their own convictions there would be no war The strongest of all warriors are these two Time and Patience There is no greatness where there is not simplicity goodness and truth The whole world is divided for me into two parts one is she and there is all happiness hope light the other is where she is not and there is dejection and darkness It is not given to people to judge what is right or wrong People have eternally been mistaken and will be mistaken and in nothing more than in what they consider right and wrong Like Pierre was right when he said that one must believe in the possibility of happiness in order to be happy and I now believe in it Let the dead bury the dead but while I am alive I must live and be happy You can love a person dear to you with a human love but an enemy can only be loved with divine love If we admit that human life can be ruled by reason then all possibility of life is destroyed We are asleep until we fall in Love I simply want to live to cause no evil to anyone but myself Everything I know I know because of love Man cannot possess anything as long as he fears death But to him who does not fear it everything belongs If there was no suffering man

would not know his limits would not know himself Leo Tolstoy War and Peace
