Bled dry by interminable warfare infighting and bloody confrontations with Lord Anomander Rake and his Tiste Andii the vast sprawling Malazan empire simmers with discontent Even its imperial legions yearn for some respite For Sergeant Whiskeyjack and his Bridgeburners and for Tattersail sole surviving sorceress of the Second Legion the aftermath of the siege of Pale should have been a time to mourn the dead But Darujhistan the last of the Free Cities of Genabackis still holds out against the empire and Empress Lasseen s ambition knows no bounds However it seems the empire is not alone in this great game Sinister forces gather as the gods themselves prepare to play their hand Conceived and written on an epic scale Gardens of the Moon is a breathtaking achievement a novel in which grand design a dark and complex mythology wild and wayward magic and a host of enduring characters combine with thrilling powerful storytelling to resounding effect **Memories of Ice** Steven

Ultor was slain and a tide of Malazan blood spilled But agents of a far greater conflict have made their opening moves The Crippled God has been granted a place in the pantheon a schism threatens sides must be chosen but whatever each god decides the rules have changed and the first blood spilled will be in the mortal world a world in which a host of characters familiar and new search for a fate that they might fashion by their own will If only the gods would leave them alone But gods are disinclined to be kind There shall be war war in the heavens And the prize Nothing less than existence itself The God is Not Willing Steven Erikson, 2021-07-01 Awe inspiring Prepare to fall in love with epic fantasy all over again ANNA SMITH SPARK author of The Court of Broken Knives The thrilling opening chapter in an epic new fantasy from the author of The Malazan Book of the Fallen Many years have passed since three Teblor warriors brought carnage and chaos to Silver Lake Now the tribes of the north no longer venture into the southlands The town has recovered and yet the legacy remains Indeed one of the three Karsa Orlong is now revered as a god albeit an indifferent one In truth many new religions have emerged and been embraced across the Malazan world There are those who worship Coltaine the Black Winged Lord and the cult of Iskar Jarak Guardian of the Dead is popular among the Empire's soldiery Responding to reports of a growing unease among the tribes beyond the border a legion of Malazan marines marches towards Silver Lake They aren't quite sure what they're going to be facing but while the Malazan military has evolved and these are not the marines of old one thing hasn't changed they'll handle whatever comes at them Or die trying And in those high mountains a new warleader has risen amongst the Teblor Scarred by the deeds of Karsa Orlong he intends to confront his god even if he has to cut a bloody swathe through the Malazan Empire to do so But further north a new threat has emerged and now it seems it is the Teblor who are running out of time Another long feared migration is about to begin and this time it won't just be three warriors No this time tens of thousands are poised to pour into the lands to the south And in their way a single company of Malazan marines It seems the past is about to revisit Silver Lake and that is never a good thing

Fall of Light Steven Erikson, 2016-04-21 Before the Malazan Empire there was a time that set the stage for all those tales yet to be told The winter is bitter Civil war threatens Kurald Galain for the warrior Urusander's army has begun its march on the city of Kharkanas Led by the ruthless Hunn Raal it intends to cast aside Mother Dark's consort Draconus and set Urusander himself on the throne beside the Living Goddess Those who would stand in the way of the rebels lie scattered and weakened leaderless since Anomander went in search of an estranged brother In his stead Silchas Ruin resolves to gather the Houseblades of the Highborn families to him and to resurrect the legendary Hust Legion but time is not on his side Far to the west an unlikely army musters It seeks an enemy without form in a place none can find And yet Hood's call has been heard and the long abandoned city of Omtose Phellack is now home to a rabble of new arrivals Dog Runners from the south Jheck warriors and blue skinned strangers from across the Western Sea have come to offer Hood their swords From the distant mountains and isolated valleys of the North Thel Akai arrive to pledge themselves in this seemingly impossible war Soon they will set forth with weapons drawn under the banners of the living in pursuit of Death itself Such events presage chaos and now magic bleeds into this realm Unconstrained mysterious and savage it begins to run loose and wild and following its scent seeking the places of wounding and hurt new and ancient entities gather In a world becoming rotten with sorcery can honour truly exist
