Integrated Care and Fall Prevention in Active and Healthy Aging Eklund, Patrik, 2021-06-25 In today s world healthy aging and a fulfilling lifestyle are important to older members of society with many opting to remain as independent and mobile as possible for as long as possible However elderly individuals tend to have a variety of functional limitations that can increase the likelihood of debilitating falls and injuries Assessments of functionality are very often only performed following an accident which implies a hindsight bias because results do not necessarily reflect pre accidental performance capacities Furthermore these belated measures do little to reduce the likelihood of new falls As such it is imperative that personalized preventative approaches are taken to prevent falls Integrated Care and Fall Prevention in Active and Healthy Aging contains state of the art research and practices related to integrated care fall prevention and aging throughout areas ranging from medical to social aspects of care health economy standards pathways and information scopes practices and guidelines technology etc Covering topics such as active care and healthy aging it is ideal for doctors gerontologists nursing home and long care facility staff scientists researchers students academicians and practitioners working in care pathways involving good practices of fall prevention in home care and community care settings

Routledge Handbook of Cultural Gerontology Julia Twigg, Wendy Martin, 2015-06-12 Later years are changing under the impact of demographic social and cultural shifts No longer confined to the sphere of social welfare they are now studied within a wider cultural framework that encompasses new experiences and new modes of being Drawing on influences from the arts and humanities and deploying diverse methodologies visual literary spatial and theoretical perspectives Cultural Gerontology has brought new aspects of later life into view This major new publication draws together these currents including Theory and Methods Embodiment Identities and Social Relationships Consumption and Leisure and Time and Space Based on specially commissioned chapters by leading international authors the Routledge Handbook of Cultural Gerontology will provide concise authoritative reviews of the key debates and themes shaping this exciting new field

Handbook of Socioeconomic Determinants of Occupational Health Töres Theorell, 2020-08-12 This anthology provides readers of scientific literature on socioeconomic factors and working conditions with the newest knowledge in this field Since our world is subjected to constant change in accelerating speed scientific reviews and updates are needed Fortunately research methodology in epidemiology physiology psychology and sociology is also developing rapidly and therefore the scientific community can provide politicians and policy makers with increasingly sophisticated and exact

descriptions of societal factors in relation to work The anthology starts in the macro level sphere with international perspectives and reviews related to working conditions in relation to political change the fall of the Soviet Union gender age precarious employment national economy and retirement Two chapters relate to national policies and activities in international organizations The second part of the book relates to the meso level sphere with reviews on social patterns in distributions of psychosocial and physical risks at work in general as well as reviews on noise shift work under overemployment occupational physical activity job intensity which may be a particularly important problem in low income countries digitization in modern work climate change childhood determinants of occupational health in adult years and theoretical models currently used in occupational epidemiology demand control effort reward organizational justice psychosocial safety climate conflicts bullying harassment This part of the book ends with two chapters on interventions one chapter on the use of cultural interventions and one on interventions and their evaluation in general and two chapters on financial aspects of poor good work environments and evaluations of interventions In the third part of the book the micro level is addressed Here mechanisms translating working conditions into physiology are discussed This starts in general theory relating basic theories regarding energy storage and release to psychosocial theory extension of demand control theory It also includes regeneration physiology autonomic nervous system function immunology and adverse behaviour Sections in the Handbook Macro level determinants of occupational health Akizumi Tsutsumi Meso level determinants of occupational health Morten Wahrendorf and Jian Li Micro level determinants of occupational health Bradley J Wright

Handbook of Active Ageing and Quality of Life Fermina Rojo-Pérez,Gloria Fernández-Mayoralas,2021-04-12 This handbook presents an overview of studies on the relationship of active ageing and quality of life It addresses the new challenges of ageing from the paradigm of positive ageing active healthy and successful for a better quality of life It provides theoretical perspectives and empirical studies including scientific knowledge as well as practical experiences about the good ageing and the quality of later life around the world in order to respond to the challenges of an aged population The handbook is structured in 4 sections covering theoretical and conceptual perspectives social policy issues and research agenda methods measurement instrument scales and evaluations and lastly application studies including domains and geographical contexts Chapter 5 is available open access under a Creative Commons Attribution 4 0 International License via link [springer.com/div](https://www.springer.com/div) Paul Insel,Don Ross,Kimberley McMahon,Melissa Bernstein,2010-04-07 5 Stars Doody's Review

Service Nutrition Fourth Edition is an accessible introduction to nutritional concepts guidelines and functions It brings scientifically based accurate information to students about topics and issues that concern them a balanced diet weight management and more and encourages them to think about the material they re reading and how it relates to their own lives Covering important biological and physiological phenomena including glucose regulation digestion and absorption and fetal development as well as familiar topics such as nutritional supplements and exercise Nutrition Fourth Edition provides a balanced presentation of behavioral change and the science of nutrition [Preventing Elder Falls](#) United States. Congress. Senate. Committee on Health, Education, Labor, and Pensions. Subcommittee on Aging,2003 **Game-playing for active ageing and healthy lifestyles** Ana Isabel Veloso,Liliana Vale Costa,2022-09-01 Given the increase in the ageing population and the evolvement of the Human Computer Interaction field to a much more humanistic approach debate is ongoing about designing technology enabled products for active ageing and healthy lifestyles Indeed the mainstream game industry has been challenged with the emergence of an older target group the advancements in gamification and the proliferation of SMART devices Previous experience in the field has revealed that for many older adult gamers games had a therapeutic effect through them being both cognitively challenged and rewarded However it has also revealed that the gaming industry was not fulfilling their other motivations and accessibility needs Furthermore research to date has focused on the physical and cognitive effects of video games in the aging process Up to now the use of other active ageing dimensions that go beyond the health domains i e sense of security and participation in society in games addressed to this target group remain unexplored This book differs from current books on the market by focusing on games and the main implications to design for active ageing in terms of the market perspective the information and communication society behavioral design mobility urban and city planning accessibility and assessment [Braille Books](#) Library of Congress. National Library Service for the Blind and Physically Handicapped,2005
