Sotomayor and veteran legal secretary Gertie Chase have been working for an exceedingly difficult Texas attorney for eighteen years five months and twelve days when they suddenly find themselves jobless after she dies at her desk The deceased lawyer s greedy son has designs on the office and demands that the women spend their last two weeks on the firm s payroll referring out all his mother s cases to other attorneys As the three co workers comply they happen upon an unknown case file that involves Gertie s childhood friend whose pipe fitter husband died of a rare asbestos related cancer When the women learn that their deceased boss never took action on the matter Gertie decides to handle the case while impersonating her former boss After she enlists her two cohorts to help they embark on a journey filled with complications and consequences and where only time will tell if they will solve the case or if one or all of them will end up behind bars Home Cookin shares the entertaining tale of a seasoned legal secretary as she and her two co workers take on a complicated case after their boss falls from grace and dies at her desk

Who's Who in the Midwest Marquis Who's Who, Marquis Who's Who, LLC, 2004-06 Who's who in American Law , 1996 **Amicus Curiae** , 2012 **Amicus Curiae Before International Courts and Tribunals** Astrid Wiik, 2018-05-17 Amicus curiae participation in international courts and investment arbitration tribunals is increasing despite lack of clarity on the concept s nature function and added value in international dispute settlement The book examines the laws and practices of amicus curiae to assess the concept s status quo and to determine if it meets the many expectations Does it infuse proceedings with alternative views and the public interest Does it increase the legitimacy and transparency of international dispute settlement or the coherence of international law Or does it derail the proceedings at the expense of the parties to advance its agenda The book argues that neither the expectations nor the concerns attached to amicus curiae have materialized It shows a hesitation by courts with a strong adversarial tradition to consider the views of non parties and argues that amicus curiae is not the best vehicle to present a public interest or increase legitimacy However it can improve judicial decisions and decision making if regulated and used properly
