

Section 2: Interest Groups

Criticism of interest groups:

- ◆ Too involved in lawmaking.
- ◆ Well-funded and organized groups receive too much attention; other interests are not equally represented.

Methods of Rhetorical Criticism Bernard L. Brock, Robert Lee Scott, James W. Chesebro, 1989. *Public Relations and the Public Interest* Jane Johnston, 2016-02-12. In this book Johnston seeks to put the public interest onto the public relations radar arguing the need for its clear articulation into mainstream public relations discourse. This book examines literature from a range of fields and disciplines to develop a clearer understanding of the concept and then considers this within the theory and practice of public relations. The book's themes include the role of language and discourse in establishing successful public interest PR and in perpetuating power imbalances intersections between CSR governance law and the public interest and how activism and social media have invigorated community control of the public interest. Chapters explore the role of the public interest including cross cultural and multicultural challenges community and internal consultation communication choices and listening to minorities and subaltern publics.

Cold War Rhetoric Martin J. Medhurst, Robert L. Ivie, Philip Wander, Robert L. Scott, 1997-11-30. Cold War Rhetoric is the first book in over twenty years to bring a sustained rhetorical critique to bear on central texts of the Cold War. The rhetorical texts that are the subject of this book include speeches by Presidents Eisenhower and Kennedy the Murrow McCarthy confrontation on CBS the speeches and writings of peace advocates and the recurring theme of unAmericanism as it has been expressed in various media throughout the Cold War years. Each of the authors brings to his texts a particular approach to rhetorical criticism strategic metaphorical or ideological. Each provides an introductory chapter on methodology that explains the assumptions and strengths of their particular approach.

Reality and Fantasy in American Independent Cinema Rick Zinman, 2024-09-19. In the 21st century blockbuster fantasy films have dominated film viewership in the United States. The increased popularity of fantasy films has generated much greater scholarly interest in the study of fantasy films. It has also generated an artistic response by American Indie filmmakers who have developed alternative approaches to the portrayal of film fantasy. Reality and Fantasy in American Indie Films: A Cavellian Approach applies the methods and procedures of Cavellian philosophical film criticism to the study of four prominent American indie films released in 2014 in which fantasy can be said to play an important role: Birdman, Alejandro G. Iñárritu; Boyhood, Richard Linklater; The Grand

Bourdieu's Philosophy and Sociology of Science Kyung-Man Kim, 2023-01-31 This book explores Pierre Bourdieu's philosophy and sociology of science which though central to his thought have been largely neglected in critical examinations of his work Addressing the resultant confusion that surrounds Bourdieu's sociologized philosophy of science it expounds his epistemology and sociology of science situating it within the context of Anglo American post positivist philosophy of science and shedding light on the critique of relativist sociology of science that emerges from his field theory From a detailed critique of Bourdieu's reflexive sociology and his attempt to enhance the uneasy epistemic status of the social sciences the author draws on the thought of Jürgen Habermas to suggest critical ethnography as a way of going beyond Bourdieu's critical theory As such Bourdieu's Philosophy and Sociology of Science will appeal to sociologists philosophers and scholars across the social sciences with interests in the work of Bourdieu and the sociology and philosophy of science

Networked Information Technologies Jan Damsgaard, Helle Zinner Henriksen, 2006-04-11 Software systems that used to be relatively autonomous entities such as e.g. accounting systems order entry systems etc. are now interlinked in large networks comprising extensive information infrastructures What earlier used to be stand alone proprietary systems are now for the most part replaced by more or less standardized interdependent systems that form large networks of production and use Organizations have to make decisions about what office suite to purchase The easiest option is to continuously upgrade the existing office suite to the latest version but the battle between WordPerfect and Microsoft Word demonstrated that the choice is not obvious What instant messenger network to join for global communication Preferably the one most colleagues and friends use AOL Instant Messenger Microsoft Messenger and ICQ represent three satisfactory but disjunctive alternatives Similarly organizations abandon their portfolio of homegrown IT systems and replace them with a single Enterprise Resource Planning ERP system Several ERP alternatives exist on the market but which is the right one for you The argumentation and rationale behind these considerations are obviously related to the technological and social networks we are embedded in but it is not always easy to specify how Networked Information Technologies Diffusion and Adoption offers contributions from academics and practitioners who study networked information systems from a diffusion and adoption point of view Themes related to the conceptualisation of diffusion and adoption of networked information systems are discussed along with studies of the diffusion of networked information systems in public sector institutions and private businesses This volume contains the edited proceedings of the IFIP Conference on The Diffusion and Adoption of Networked Information Technologies which was sponsored by the International Federation for Information Processing IFIP Working Group 8.6 and held in Copenhagen Denmark in October 2003
