Elizabeth s rejection the last thing Darcy wants is to face her once again especially when she s already on the arm of another man Harington seems to be a fair prospect for Elizabeth but with memories of the last moments he spent with the Bennet beauty tormenting Darcy he s forced to come to terms with his indecisive heart A Fair ProspectVolume I Disappointed HopesVolume II Darcy s DilemmaVolume III Desperate Measures Darcy'S Dire Dilemma John Hazard Forbes, 2018-06-21 They never dreamt the danger of Jane Austen Initially the residents of Longbourn Netherfield and Pemberly had no reason to be wary Miss Austen seemed merely a mild spinster who attended parties and asked benign questions about this cousin or that aunt No one suspected her devious purpose the creation of novels based upon persons of her acquaintance It was much too late for poor George Wickham when Pride and Prejudice became all the rage Of course he was nothing like his odious fictional counterpart which is what he hopes to clarify in this retelling of the events as they truly occurred Miss Austen obviously warped reality resulting in three hundred odd pages of absolute rot Whereas Wickham has never aspired to sainthood he contends that the authoress greatly exaggerated his shortcomings He now attempts to reconstruct the true love story so poorly delineated in that dreadful Pride and Prejudice Four decades may have passed but Wickham remembers all and now pays tribute to those so smeared by that awful Miss Austen A Fair Prospect Cassandra Grafton, 2013-04-18 Please note this book was previously published with a different cover The content remains the same as the original book Well done C Grafton I anxiously await your next volume and any subsequent stories you let loose in the world Your pen has my utmost respect Amazon Review Thrown together by circumstance in London and with his friend Bingley in hot pursuit of the eldest Miss Bennet Darcy finds his best endeavours to relieve Elizabeth of his unwelcome presence come to naught As the encounters continue they seem to be developing a better appreciation of each other but is there any future for them in the face of their previous misunderstandings and what of Harington the man who is deemed a fair prospect for Elizabeth's hand As further evidence arises of a bond existing between the couple Darcy faces a dilemma should he remain in Town or should he make himself scarce Which decision will lead to the least heartache to never lay eyes upon Elizabeth again or to watch the woman he loves being courted and wed by another Inspired by Pride and for our normally self assured spunky heroine it's refreshing to see that Darcy although unbeknownst to him has the power to absolutely confuse and befuddle her Adorable Vol II has everything the hold your breath heart stopping fall even more in love oh no they didn t moments Bring on Vol III Amazon US Review Be prepared for a major cliff hanger near the end of this book You might want to have a copy of the third volume Desperate Measures on hand because you won t want to stop reading It s so good So Little Time blog As with Volume I Cassandra Grafton delivers on every level humor romance attention to period detail faithfulness to the original characters etc The dialogue is smart and witty especially when Col Fitzwilliam is in the scene His interactions with Darcy are a highlight of this book providing levity to the reader as well as truly heartwarming loyalty and friendship when Darcy needs it most I am very eager to see how Ms Grafton resolves it all in the final volume
