

JAKE WOOD
AMONG YOU

THE EXTRAORDINARY
TRUE STORY OF
A SOLDIER BROKEN
BY WAR

'Jake Wood writes unflinchingly about his life, whether on the battlefields of Iraq and Afghanistan, the trading desks of Canary Wharf or the frenzied, hallucinatory landscape of sexual passion . . . A more pertinent story of our time it is hard to imagine'

John Irvin, director of *Hamburger Hill*

Among You The Extraordinary True Story Of A Soldier Broken By War

Victor L. Whitechurch

Among You The Extraordinary True Story Of A Soldier Broken By War:

Among You Jake Wood, 2013-01-17 *Among You* is the gripping real life story of a soldier serving on the front line in Iraq and Afghanistan and an unforgettable unflinching account of the effects of post traumatic stress disorder Jake Wood lives parallel lives encased in the glass tower of an international investment bank by day he is also a dedicated TA soldier who serves on the front line during the invasion of Iraq later returning to the war zone to conduct surveillance on insurgents Disillusioned with the dullness and amorality of the banking world he escapes back to the army for a third tour of duty But in Afghanistan he discovers the savage dehumanising effects that war has on both the body and the mind Diagnosed with chronic PTSD on his return he must now fight the last enemy himself in order to exorcise the ghosts of his past Brutally honest and beautifully written *Among You* brings home the harsh reality of front line combat in Iraq and Afghanistan and the courage of the troops who risk their lives for their country as well as revealing the devastating after effects of service

Psychedelic Marine Alex Seymour, 2016-08-15 A vivid portrait of both the traumas of war and the shamanic healing ceremonies of ayahuasca Explains how our culture lacks rites of passage and how shamanic ritual can fill this gap Reveals how ayahuasca frees your consciousness from inherited beliefs fears and traumatic experience allowing healing from PTSD enabling genuine growth and offering an enlightening path out of the malaise discontent and dissatisfaction that life in a modern world often brings Details the author's experiences in Afghanistan sailing on the Amazon river with a shaman and the many ayahuasca ceremonies he experienced in the jungle After returning from a tour of duty during the war in Afghanistan Alex Seymour needed a way to cope with the extremes he experienced as a member of the Royal Marine Commandos losing 7 men in his unit and having his best friend critically injured by a Taliban bomb Drawing upon his pre deployment experiences Alex knew that entheogens could help him release his fears and traumas But he also knew that simply taking psychedelics wasn't enough he needed ceremony something sacred to draw meaning from his experiences to help him reassess not only the war and his role in it but his entire life So he set out for the Amazon in search of the hallucinogenic brew known as ayahuasca and a shaman to guide him The result is a crazy page turning adventure where he journeys deep into the jungle and himself Alex soon finds himself deep within the jungle on an incredible adventure sailing on the Amazon river with an ayahuasca shaman and his troop of 8 female shamans whose ethereal songs help guide participants during the nightly ayahuasca ceremonies Accompanied by others seeking wisdom and a redemptive experience from their First World professional lives Alex finds his core beliefs fundamentally challenged replaced by the power of direct experience of the sacred which allows him to release his fears from the war and set an inspiring path for the future Painting a vivid portrait of both the anguish of war and the transcendent world of shamanic ritual the author shows how young people often enlist in the military to satisfy our human need for a rite of passage into adulthood a ritual sorely missing in our culture He explores how ayahuasca can offer a way to help soldiers prepare for war and help combat veterans heal from war and

overcome PTSD as well as alcoholism and addiction From Afghanistan to the Amazon the author shows how ayahuasca frees your consciousness from inherited beliefs and fears offering a truly transformative rite of passage Returning Soldiers and PTSD Barbara Krasner,2017-07-15 One of the most painful and tragic legacies of the wars in Iraq and Afghanistan has been the trauma suffered by those who served and the far reaching consequences and after effects of their scarring combat experiences This very important volume looks at the issue of returning soldiers PTSD from multiple angles examining skyrocketing suicide rates the debates surrounding the quality and accessibility of health care the nature of and stigmas associated with a PTSD diagnosis the responsibility that government and society have to care for returning soldiers how welcoming protective and supportive the environment is to which soldiers return and the steep cost of war to the individual families and society at large *Pride and Fall* Sergio Miller,2024-11-14 A detailed new account of the British military campaign in Afghanistan from 2001 to 2014 based on the experiences of those who served On 11 September 2001 19 al Qaeda inspired jihadists hijacked four aircraft and mounted the deadliest terrorist attack in history The outrage triggered a chain of events that saw British forces drawn into a lengthy military campaign against a fierce insurgency in Afghanistan In the immediate aftermath of the 9 11 attacks NATO invoked Article 5 of the Washington Treaty that obligated military assistance to the United States The British government supported the initial US invasion of Afghanistan in 2001 and subsequently committed troops to Kabul and northern Afghanistan from 2002 onwards However in January 2006 following NATO s expansion southwards Britain committed a battlegroup from the Parachute Regiment to Helmand Province in what became known as Operation Herrick with Defence Secretary John Reid stating he would be perfectly happy to leave in three years and without firing one shot The reality was very different From 2006 to 2014 a succession of British task forces rotated through Helmand and fought against an implacable enemy When they finally withdrew in 2014 British forces had suffered losses of more than 450 killed and 2 000 wounded The Taliban were not defeated and would grow stronger Sergio Miller served in Defence Intelligence in Whitehall throughout the campaign and *Pride and Fall* answers the many questions surrounding the conflict Based on abundant open source material generated by the war and first hand testimonies this is the story of the men and women who served **Bringing War to Book** Rachel Woodward,K. Neil Jenkins,2018-05-04 This book explores how military memoirs come to be written and published Looking at the journeys through which soldiers and other military personnel become writers the authors draw on over 250 military memoirs published since 1980 about service with the British armed forces and on interviews with published military memoirists who talk in detail about the writing and production of their books A range of themes are explored including the nature of the military memoir motivations for writing authors reflections on their readerships inclusions and exclusions within the text the memories and materials that authors draw on the collaborations that make the production and publication of military memoirs possible and the issues around the design of military memoirs distinctive covers Written by two leading commentators on the sociology of the military *Bringing*

War to Book offers a new and original argument about the representations of war and the military experience as a process of social production. The book will be of interest to students and scholars across a range of disciplines including sociology, history, and cultural studies.

Aftershock Matthew Green, 2015-10-01. Over the last decade we have sent thousands of people to fight on our behalf. But what happens when these soldiers come back home having lost their friends and killed their enemies, having seen and done things that have no place in civilian life? In *Aftershock*, Matthew Green tells the story of our veterans' journey from the frontline of combat to the reality of return. Through wide-ranging interviews with former combatants including a Royal Marine sniper and a former operator in the SAS, as well as serving personnel and their families, physicians, therapists, and psychiatrists, *Aftershock* looks beyond the headline-grabbing statistics and the labels of post-traumatic stress disorder to get to the heart of today's post-conflict experience. Green asks what lessons have been learned from past wars and explores the range of help currently available, from traditional talking cures to cutting-edge scientific therapies. As today's battle-scarred troops begin to lay their weapons down, *Aftershock* is a hard-hitting account of the hidden cost of conflict. And its message is one that has profound implications not just for the military but for anyone with an interest in how we experience trauma and survive.

Warrior to Civilian Robert Sarver, Alex Gendzier, 2025-01-28. A compassionate, practical guidebook for veterans transitioning from active duty to civilian life and for the loved ones supporting their journey. Challenging yet reassuring, a key addition to every veteran's packing list.

Stan McChrystal, General US Army, Retired and Co-Founder and CEO, McChrystal Group. Some important statistics: There are over 22 million veterans alive today. Each year, more than 200,000 new veterans transition out of active duty. Approximately 22 veterans commit suicide a day, and even more are living with PTSD, traumatic brain injury (TBI), struggling with substance abuse, homelessness, and experience many, many other difficulties. It's clear that we have not honored the promise we make to veterans that we, as a country, will help them after they've served and sacrificed. And while there are many books written by and for veterans, only a small selection of those address the transition to civilian life, and none are a truly complete reference for stepping out of service and back into normal life. *Warrior to Civilian* covers a range of topics, from the practical (finding a job, reintegrating into family life) to the more challenging topics like dealing with loss and finding new purpose in life. This well-curated resource incorporates stories, insights, and observations from veterans and their partners, evidence-based advice from health professionals and experts who work closely with veterans, and inspiration taken from heavyweights like Jon Kabbat Zinn and Tony Robbins. The authors take care to address the unique challenges faced by veterans of color and those in the LGBTQ communities. With support from some of our country's most recognizable military members, authors Rob Sarver, a former SEAL, and Alex Gendzier combine their voices and their experiences in and out of the military in a unique way that will make this resource shine. Scaffolded by the hero's journey in which the hero experiences a series of transformative events, they reveal that within the loss that many veterans have suffered while serving and suffer in the transition, there is great opportunity for healing.

The Collected

Works of Victor L. Whitechurch Victor L. Whitechurch,2022-11-13 The Collected Works of Victor L Whitechurch showcases the breadth of an author whose narratives interlace the threads of mystery adventure and the realm of the extraordinary Known for his keen observance of human behavior and precise prose Whitechurch s writing often explores the intersection of scientific innovation and moral conundrums reflecting the burgeoning interests of the early 20th century His stories frequently feature intricate plots meticulous attention to detail and an unerring ability to create suspense captivating readers and placing them squarely within the literary context of his time Victor L Whitechurch was a multifaceted individual an author a railway engineer and a pioneering figure in the realm of detective fiction in the UK His engineering background enriched his narratives with technical knowledge and a profound understanding of mechanism and invention influences prominently threaded throughout his works Drawing inspiration from contemporary advances in technology and societal transformations Whitechurch possessed a unique lens through which to scrutinize both humanity s triumphs and follies shaping his literary voice in a distinctive manner Readers are encouraged to delve into The Collected Works of Victor L Whitechurch a treasure trove for aficionados of early mystery fiction and those interested in the nuanced exploration of human complexity This compilation not only honors Whitechurch s literary legacy but also serves as an essential testament to the evolution of genre literature offering invaluable insights for both casual readers and scholars alike [BRITISH MYSTERIES COLLECTION - 31 Novels & Short Stories in One Volume](#) Victor L.
