After the Moonshiners, 2018-02-05 Excerpt from *After the Moonshiners A Book of Thrilling Yet Truthful Narratives* It is human nature to get along through life with as little effort as possible and at the same time secure the greatest amount of comfort and Happiness possible to attain The moonshiner may insist that his reason for defying the law is because it restricts his liberties as a citizen or because his father was not required to respect such a law or because he hates the Government under which he lives and all that but the real cause lies in the fact that he can make money by running an illicit distillery and money and fun are above all others the articles he is seeking for in this life About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
