Be Holy Find Identity Find Belonging Find Purpose:

On Holy Ground Keith R. Anderson, 2025-06-24 There is a universal human need to understand our identity and find belonging and sacred purpose in the most daily moments of our lives When we know our identity as the beloved of God our lives take on practices that are urgently needed in our divisive culture today starting with compassion hospitality and discourse and joining a movement to boldly proclaim Abba's love Sacred purpose involves everything we do on holy ground which is where God walks with us before us and alongside us in time and place As we enter the fray we find ways to live as people of justice grace and conviction seeking the kingdom of God as our priority as we address those issues that are so charged and divisive today race inclusion exclusion individualism and trauma Within the image of an ecosystem we understand that Scripture the living word points us to Jesus the incarnate word who calls us to sacred purpose a living relationship of following Jesus at our own altars in the world for all of our lives Growing Old Gracefully Robert M. Solomon, 2022-03-22 Growing old doesn't have to be just about frailties loneliness and loss of purpose Veteran pastor Robert Solomon offers a fresh perspective of aging and looks at how you can continue to grow with God in your autumn years Discover how you can keep your eyes firmly on Jesus as you nurture habits and disciplines that will enable you to build redemptive relationships and cope with the physical mental and emotional challenges of aging Useful insights into aging are presented in short chapters in an easy to read large print devotional format **Fellowship of Prayer** Sarah Griffith Lund, 2016-01-05 The seasonal cycles of winter spring summer and fall are echoed in the birth life death and resurrection of Jesus The season of Lent culminating in Holy week invites those who follow Jesus into a time of deeper reflection on our own seasons of life in the present age Where is God to be known encountered and embodied in these turbulent times How is God revealed in our dreams and visions Sarah Griffith Lund author of the acclaimed Blessed Are the Crazy Breaking the Silence about Mental Illness Family and Church takes you through the 40 days of Lent with these stories of the possibilities of our lives leading to the ultimate redemption and resurrection **Finding Authentic Hope and Wholeness** Dr. Kathy Koch, 2005-01-01 Your mother always said that you would never amount to much Or perhaps a teacher asked you to help her because you were just so good at fill in the blank Those early messages about our intelligence and worth affect our lives forever or do they How do we find authentic hope and wholeness based on truth reality and God's view Dr Kathy Koch draws on decades of seminars and workshops geared to the educational community She knows the right questions to ask She also knows that intelligence and worth take different forms in each of us Readers of all ages and stages will benefit from the life changing wisdom contained in Finding Authentic Hope and Wholeness **In Search of Identity** Gadi Hitman, 2025-08-01 Describes and analyzes the main divisions within Israel's heterogeneous society In November 2022 Israeli citizens went to the polls to elect their representatives to the legislature the Knesset for the fifth time in less than four years This was the culmination of a political crisis that began in November 2018 when Avigdor Lieberman resigned from his position as minister

of defense after Prime Minister Benjamin Netanyahu refused to approve a significant military move in the Gaza Strip Since then Israel has been caught in a political whirlwind In Search of Identity seeks to find out the nature of the crisis in Israel by analyzing the main rifts in Israeli society It describes and analyzes the main splits within Israel s heterogenous society arguing these divisions have social ideological and political consequences the most important being a lack of common national interests and vision The goal herein is to present a society and country that has long been searching for identity not only geographically but also in terms of moral values ethics and integrity Church Camp Cara Meredith,2025-04-29

Excavating a sometimes wacky and equally harmful part of white Evangelical culture Roasted marshmallows campfire stories shaving cream battles for some of us Christian summer camp is where we felt most at home where we could be the most authentic versions of ourselves But for campers at white Evangelical church camps in particular camp was also often the place to inherit a toxic image of God and of each other From purity motivated admonitions not to make purple to the emotional manipulation of Cry Night to the utter lack of diversity among campers and staff the culture of white Evangelical camps has too often betrayed a generation In Church Camp longtime camp speaker Cara Meredith exposes the ways in which white Evangelical camps sold individualized versions of Jesus to impressionable youth Campers were forced to sit with their sin so they could fully understand God s conditional love Camp life emotionally coaxed campers into making a formative commitment to Christ and therefore to white Evangelical subculture Further camps commodified the faith of these young people to bolster their own funding and power Along the way Meredith weaves in notable history of the camping movement revivalism and white Evangelicalism She asks profound questions about who God is and what it means to be human Following the progression of a typical week at camp Church Camp weaves together Meredith s own story and the powerful stories of dozens of other former campers and camp staff members Along the way she invites us into the tension of accounting for our past while moving toward a better future Whether you went to church camp or not whether you loved camp or hated it Church Camp will peel back the layers hold the powerful accountable and help you envision a more vibrant loving and inclusive faith **She Belongs - Includes Six-Session Video Series** Katy McCown,2023-08-01 Katy McCown knows how it feels to try to handle life all on your own Through her struggles to keep up and catch up she s discovered that our quest to keep it together will eventually cause us to fall apart This six session Bible study with included videos shows us the key to keeping it together is coming together in the body of Christ Find a true sense of belonging by Shifting our identity from our scars to our Savior Pressing into the body of Christ instead of pulling away from it especially when life falls apart Understanding that we re never safer isolated Cultivating conditions that move us from fine to flourishing Diving deep into God s Word She Belongs includes practical illustrations companion videos and questions for individual or group study Find the peace security and purpose Jesus promises when we engage with other believers This is the way to a life of belonging Presented by Esther Press Books for Courageous Women **Spirituality: Theory, Praxis and Pedagogy** ,2020-04-28

Centering Discipleship E. K. Strawser,2023-04-26 The church often lacks maturity and missional impact because discipleship is at its periphery To get discipleship to the center leaders need a locally rooted culturally contextual discipleship pathway This gutsy practice based guidebook is for leaders doing the hard work turning spectators into missional mature followers of Jesus I Will Jimmy Evans,Karen Evans,2024-05-21 Your marriage has a 100% chance of success if you do it God s way In a world where promises are often forgotten and relationships easily discarded your marriage can stand as a testament to the sacred commitment you made not only to each other but to God In the pages of this devotional Jimmy and Karen Evans guide you through the timeless truths of God s Word helping you unlock the secret to a joyful fulfilling and blessed marriage The promises you made can be your foundation paving the way for an enduring love story that will not only enrich your life but also become a legacy of blessing for generations to come *Belong, Experience, Believe* Noriyuki Miyake,2011 Why don t Japanese people become Christians Miyake brings a pastor s heart and a researcher s mind to a question that has been asked many times in Christian mission After reviewing Japanese social and religious life and evaluating the history of mission strategies so far he highlights two key ways that Japanese people relate to religion first they look for a sense of belonging to a community and second they receive religious truth through first hand experience rather than through abstract doctrine From this basis he develops a new strategy for churches to reach out into Japanese community **Reading 1 Peter Missiologically** Abeneazer G. Urga,Jessica A. Udall,Edward L. Smither,2024-06-24

Gaining Fresh Insights for Missions In today s world the church on mission faces the immense challenge of engaging an array of cultures and ideologies To address these issues theologians and missiologists usually focus on Jesus and Paul However the Apostle Peter s words steeped in wisdom are another vital link between foundational Christian truths and the complexities of our global context For this reason Reading 1 Peter Missiologically is a significant contribution to both biblical scholarship

and mission practice Examining 1 Peter through a missiological lens unveils the apostle's strategic approach to cross cultural evangelism amidst persecution and cultural diversity It is not just an academic exercise the authors provide practical insights for missionaries church leaders and theologians helping them to contextualize the gospel in a culturally sensitive manner This book bridges the gap between theological study and real world application Reading 1 Peter Missiologically is an essential resource for anyone seeking to participate in Christian outreach more effectively It challenges readers to rethink modern missionary strategies If you want to deepen your understanding of the Bible's teaching on global mission and apply it across the world this book is a must read

The Search for the Christian Doctrine of God Richard Patrick Crosland Hanson, R. P. Hanson, 2005-01-01 First published in 1988 The Search for the Christian Doctrine of God is still considered by many scholars to be the finest work on the Arian Controversy Examining scholarly works on the Controversy and many original texts Professor Hanson provides a clear understanding of how the traditional and historic doctrine of God as the Holy Trinity reached its most mature and enduring form The author is not primarily concerned to defend the orthodox position itself but rather to discover and examine the formation of that orthodoxy The history of the events the Councils the interventions of the Emperor the rivalries of sees the behaviour of bishops the varying fortunes of the different schools of thought and their leaders is interwoven with the progression of thought and doctrine during the sixty years of the Controversy Professor Hanson sees the problem of the reconciliation of two concepts which were both part of the very fabric of Christianity monotheism and the worship of Jesus Christ as divine
