Parks's 1955 arrest. Gray was the young lawyer for Parks and also Martin Luther King Jr and the Montgomery Improvement Association which organized the 382 day Montgomery Bus Boycott after Parks's arrest. As the last survivor of that inner circle, Gray speaks about the strategic reasons Parks was presented as a demure random victim of Jim Crow policies when in reality she was a committed strong-willed activist who was willing to be arrested so there could be a test case to challenge segregation laws. Gray's remarkable career also includes landmark civil rights cases in voting rights, education, housing, employment, law enforcement, jury selection, and more. He is widely considered one of the most successful civil rights attorneys of the twentieth century and his cases are studied in law schools around the world. In addition, he was an ordained Church of Christ minister and was one of the first blacks elected to the Alabama legislature in the modern era. Initially denied entrance to Alabama's segregated law school, he eventually became the first black president of the Alabama bar association. This volume also includes new photographs not found in the previous edition.

**Don't Believe the Hype!! (First Revision)** C. Brian Madden, 2017-05-11 Ever ask the question: Why today's Millennials in America's Black Community seem so mad at the world and don't care whether they live or die these days? There is a reason for it, and it is being done on purpose to destroy this country. It's called Communism. And it is Real. Don't Believe the Hype. First Revision is an explosive book which investigates how and why Communist Subversion/Perversion has taken over the African American Community with the sole intent to use and destroy them while simultaneously destroying the rest of the United States of America from within. Using Historical Facts from the Mid 19th Century to the present era, Don't Believe the Hype will surely spark Geo-political conversations between people of all races, genders, and backgrounds.

**Justice Older Than the Law** Katie McCabe, Dovey Johnson Roundtree, 2009 In *Mighty Justice* trailblazing African American civil rights attorney Dovey Johnson Roundtree recounts her inspiring life story that speaks movingly and urgently to our racially troubled times. From the streets of Charlotte North Carolina to the segregated courtrooms of the nation's capital from the male stronghold of the army where she broke gender and color barriers to the pulpits of churches where women had waited for years for the right to minister in all these places Roundtree sought justice. At a time when African American attorneys had to leave the courthouses to use the bathroom Roundtree took on Washington's white legal establishment and prevailed winning a 1955 landmark bus desegregation case that would help to dismantle the practice of separate but equal and shatter Jim Crow laws. Later she led the vanguard of women ordained to the ministry in the AME Church in 1961 merging her law practice with her ministry to fight for families and children being destroyed by urban violence.
