Girl Hunters:

Girl Hunter Georgia Pellegrini, 2011-12-13 What happens when a classically trained New York chef and fearless omnivore heads out of the city and into the wild to track down the ingredients for her meals After abandoning Wall Street to embrace her lifelong love of cooking Georgia Pellegrini comes face to face with her first kill From honoring that first turkey to realizing that the only way we truly know where our meat comes from is if we hunt it ourselves Pellegrini embarks on a wild ride into the real world of local organic and sustainable food Teaming up with veteran hunters she travels over field and stream in search of the main course from quail to venison and wild boar from elk to javelina and squirrel Pellegrini's road trip careens from the back of an ATV chasing wild hogs along the banks of the Mississippi to a dove hunt with beer and barbeque to the birthplace of the Delta Blues Along the way she meets an array of unexpected characters from the Commish a venerated lifelong hunter to the lawyer by day duck hunting Bayou philosopher at dawn who offer surprising lessons about food and life Pellegrini also discovers the dangerous underbelly of hunting when an outing turns illegal and dangerous More than a food laden hunting narrative *Girl Hunter* also teaches you how to be a self sufficient eater Each chapter offers recipes for finger licking dishes like wild turkey and oyster stew stuffed quail pheasant tagine venison sausage fundamental stocks brines sauces and rubs suggestions for interchanging proteins within each recipe Each dish like each story is an adventure from beginning to end An inspiring illuminating and often funny journey into unexplored territories of haute cuisine *Girl Hunter* captures the joy of rolling up your sleeves and getting to the heart of where the food you eat comes from

Ruark, 1953-01-01 The story of the author and his wife's two month safari in East Africa in the 1950s Ruark's philosophies are intertwined in the hunting stories to make unforgettable reading **Hunting Girls** Kelly Oliver, 2016-05-24 Katniss Everdeen *The Hunger Games* Bella Swan *Twilight* Tris Prior *Divergent* and other strong and resourceful characters have decimated the fairytale archetype of the helpless girl waiting to be rescued Giving as good as they get these young women access reserves of aggression to liberate themselves but who truly benefits By meeting violence with violence are women turning victimization into entertainment Are they playing out old fantasies institutionalizing their abuse In *Hunting*

Girls Kelly Oliver examines popular culture's fixation on representing young women as predators and prey and the implication that violence especially sexual violence is an inevitable perhaps even celebrated part of a woman's maturity In such films as Kick Ass 2010 The Girl with the Dragon Tattoo 2011 and Maleficent 2014 power control and danger drive the story but traditional relationships of care bind the narrative and even the protagonist's love interest adds to her suffering To underscore the threat of these depictions Oliver locates their manifestation of violent sex in the growing prevalence of campus rape the valorization of woman's lack of consent and the new urgency to implement affirmative consent apps and policies

Mickey Spillane on Screen Max Allan Collins,James L. Traylor,2018-01-12 In the mid 20th century Mickey Spillane was the sensation of not just mystery fiction but publishing itself The level of sex and violence in his Mike Hammer thrillers starting with *I the Jury* in 1947 broke down long held taboos and engendered a near hysterical critical backlash Nonetheless Spillane s influence has been felt reflections of Hammer are visible in nearly every subsequent tough guy of fiction and film including James Bond Dirty Harry Shaft Billy Jack and Jack Bauer Spillane s fiction came to the screen in a series of films that include *Kiss Me Deadly* 1955 and *The Girl Hunters* 1963 with the author himself playing his private eye These films and television series starring Darren McGavin and Stacy Keach respectively are examined in a lively knowledgeable fashion by Spillane experts Included are cast and crew listings brief biographical entries on key persons and a lengthy interview with Spillane

Booze and the Private Eye Rita Elizabeth Rippetoe,2015-01-24 The hard bitten PI with a bottle of bourbon in his desk drawer it s an image as old as the genre of hard boiled detective fiction itself Alcohol has long been an important element of detective fiction but it is no mere prop Rather the treatment of alcohol within the works informs and illustrates the detective s moral code and casts light upon the society s attitudes towards drink This examination of the role of alcohol in hard boiled detective fiction begins with the genre s birth in an era strongly influenced and affected by prohibition and follows both the genre s development and its relation to our changing understanding of and attitudes towards alcohol and alcoholism It discusses the works of Dashiell Hammett Raymond Chandler Mickey Spillane Robert B Parker Lawrence Sanders Marcia Muller Karen Kijewski and Sue Grafton There are bibliographies of both the primary and critical texts and an index of authors and works

Gunmen and Gangsters Michael Schlossheimer,2018-08-03 Gangsters such as Al Capone and Lucky Luciano were considered by many people to be the most exciting personalities of the 1920s and 1930s The public was hungry for press coverage about these mysterious and dangerous men Most reports about them were sketchy as the reporters did not want to get on the bad side of the racket bosses Hollywood s response to the public s fascination was to portray the lives of gangsters on the movie screen using actors such as Humphrey Bogart James Cagney and Edward G Robinson Perhaps

surprisingly these men received not so favorable reviews from the Academy Award voters and as their popularity grew with the public censorship dictated other actors be brought in to play the roles That s what this book is about the personal and professional lives of William Bendix Charles Bickford Ward Bond Broderick Crawford Brian Donlevy Paul Douglas William Gargan Barton MacLane and Lloyd Nolan second string actors who replaced the big names and did a memorable job A filmography is supplied for each actor *The Literature Lover's Book of Lists* Judie L. On Hunting Lt. Col. Dave Grossman,Linda K. Miller,Capt. Keith A. Cunningham,2023-03-07 Hunting is our heritage our heart and our future Where does hunting fit in the modern world To many it can seem outdated or even cruel but as *On Hunting* affirms hunting is holistic honest and continually relevant Authors Grossman Miller and Cunningham dive deep into the ancient past of hunting and examine its position today demonstrating that we cannot understand humanity without first understanding hunting Readers will discover how hunting formed us examine hunting ethics and their adaptation to modernity understand the challenges traditions and reverence of today s hunter identify hunting skills and their many applications outside the field learn why hunting is critical to ecological restoration and preservation and gain inspiration to share hunting with others Drawing from ecology philosophy and anthropology and sprinkled with campfire stories this wide ranging examination has rich depths for both nonhunters and hunters alike *On Hunting* shows that we need hunting still and so does the wild earth we inhabit *British Film Noir Guide* Michael F. Keaney,2015-05-20 This work presents 369 British films produced between 1937 and 1964 that embody many of the same filmic qualities as those black films made in the United States during the classic film noir era This reference work makes a case for the inclusion of the British films in the film noir canon which is still considered by some to be an exclusively American inventory In the book s main section the following information is presented for each film a quote from the film the title and release date a rating based on the five star system the production company director cinematographer screenwriter and main performers and a plot synopsis with author commentary Appendices categorize films by rating release date director and cinematographer and also provide a noir and non noir breakdown of the 47 films presented on the Edgar Wallace Mystery Theatre a 1960s British television series that

was also shown in the United States **Jane Austen and Animals** Barbara K. Seeber, 2016-05-06 The first full length study of animals in Jane Austen Barbara K Seeber's book situates the author's work within the serious debates about human animal relations that began in the eighteenth century and continued into Austen's lifetime Seeber shows that Austen's writings consistently align the objectification of nature with that of women and that Austen associates the hunting shooting racing and consuming of animals with the domination of women Austen's complicated depictions of the use and abuse of nature also challenge postcolonial readings that interpret for example Fanny Price's rejoicing in nature as a celebration of England's imperial power In Austen hunting and the owning of animals are markers of station and a prerogative of power over others while her representation of the hierarchy of food where meat occupies top position is identified with a human nature dualism that objectifies not only nature but also the women who are expected to serve food to men In placing Austen's texts in the context of animal rights arguments that arose in the late eighteenth and early nineteenth centuries Seeber expands our understanding of Austen's participation in significant societal concerns and makes an important contribution to animal gender food and empire studies in the nineteenth century *Sports in the Wild* Louise Spilsbury, 2019-07-15 The great outdoors is an athlete's playground and supergirls have gone wild Women athletes have explored the wilderness in extremes from hiking 1 000 miles long distance to climbing vertical rock The vivid images impress and the engaging text shares the accomplishments of women athletes Readers will be inspired to investigate different kinds of wilderness sports including hunting and fishing The text encourages readers to be safe by training and learning all the rules and also motivates young athletes to challenge themselves
