EBOOK: Financial Accounting and Reporting: An International Approach Anne Marie Ward, Craig Deegan, 2013-03-16

Financial Accounting and Reporting An International Approach is an adaptation of McGraw Hill Australia's bestselling financial accounting text Australian Financial Accounting by Craig Deegan authored by Anne Marie Ward of Ulster University. Set within an international context with a solid grounding in IAS/IFRS, the book provides students with a detailed grasp of reporting requirements in an accessible and engaging manner. Up to date throughout and complete in theoretical and practical coverage, the book successfully communicates the detail necessary to understand, challenge and critically evaluate financial reporting. The result gives students a strong foundation for current study and their future professional lives.

Financial Accounting Theory Craig Deegan, 2022-10-12 Craig Deegan's Financial Accounting Theory provides a concise approach while comprehensively covering both traditional and contemporary theories that have emerged as the practice of accounting has evolved. Social and environmental accountability and reporting issues are discussed in depth along with coverage of critical perspectives, public sector accounting and fair value. Instructors and students value Financial Accounting Theory for its reader-friendly style using straightforward explanations and numerous practical examples. This new edition continues to follow this approach with the addition of NEW content focusing on how different perspectives of organisational responsibilities and accountabilities impact the way accounting is performed and the theories that different researchers choose to use/apply. Australian National Bibliography, 1995 **Australian Books in Print 1999** K G Saur

Books, 1999-04 Excellent coverage essential to worldwide bibliographic coverage American Reference Books Annual This comprehensive reference provides current finding/ordering information on more than 123 000 in print books published in Australia. You'll also find brief profiles of more than 12 000 publishers/distributors whose titles are represented as well as information on trade associations, local agents of overseas publishers, literary awards more.
