African American Novels in the Black Lives Matter Era E. Lâle Demirtürk, 2019-08-09 African American Novels in the Black Lives Matter Era Transgressive Performativity of Black Vulnerability as Praxis in Everyday Life explores the undoing of whiteness by black people who dissociate from scripts of black criminality through radical performative reiterations of black vulnerability It studies five novels that challenge the embodied discursive practices of whiteness in interracial social encounters showing how they use strategic performances of Blackness to enable subversive practices in everyday life which is constructed and governed by white mechanisms of racialized control The agency portrayed in these novels opens up alternative spaces of Blackness to impact the social world and effects transformative change as a forceful critique of everyday life African American Novels in the Black Lives Matter Era shows how these novels reformulate the problem of black vulnerability as a constitutive source of

the right to life in their refusal of subjection to vulnerability enacted by white institutional and individual forms of violence It positions a white black encounter oriented reading of these neo resistance novels of the Black Lives Matter era as a critique of everyday life in an effort to explore spaces of radical performativity of blackness to make happen social change and transformation **Miss-Understood (The Next Chapter)** Deanne Morgan,2020-06-08 In Wisdom Cry s I lived by my own rules which is never easy It led me down pathways and opened doors I never intended to My path embodied dangerous choices such as promiscuity that led me to dangerous men that was no good for my mind heart or soul However because I lived by my own rules I find that I am also responsible for my own happiness as well as all my choices which brings me to the next chapter In this chapter I realized I Miss Understood Everything I thought I knew about myself and life I had to unlearn So join me on a journey of fulfilled dreams amazing discoveries and life changing revelations that tells my story or is it yours
