

Deliverance Ministry Training

By Steve Konez

(Note: Emphasis added on some quotes.)

After some 20 years of praying with people who have had varying degrees of demonisation, I want to share with you what I have learned. Some will know little or nothing about this type of ministry. For some, this study can be seen as further training in deliverance ministry. Some are extremely prejudiced against this ministry. If this is the case for you, all I ask is that you look at this material with an open mind and a prayer for wisdom and discernment. Not everything our Western SDA church leaders believe is necessarily 100% true. Think for yourself, allowing yourself to be guided by the Bible and the writings of Ellen White. Leave a little room for experience, which can add meaning and valuable content to theory. There is room for growth in understanding, particularly in this area.

While each case of demonisation is different, and fixed formulas often do not work in practice, there are some basics and principles that are useful in every situation. I will attempt to detail these, and explain several situations I encountered and what I learned from them. In this study, I am bearing my soul in how I practice spiritual warfare. Some will no doubt use this material to condemn me, but I share it nevertheless for those who will be blessed and assisted to improve and develop their ministry to the demonised. I recommend that your ministry not be restricted to deliverance alone. The Lord Jesus gave us the example of a *balanced* ministry, which every true Christian should emulate as closely as possible, as God has gifted us.

Typical Response to Those with Demonic Problems

What do most of our ministers, elders, and laypeople do when they encounter those with demonic problems? Few can even recognise the symptoms. Most will only offer a prayer and a pat on the back. Some are so cowardly and ignorant that they will refer these poor souls to "the Pentecostal preacher in the other church". We must never refer these people to Pentecostal/Charismatic ministers. They may well end up with worse problems than before. Although they call on the name of Jesus, their methods, doctrines, and practices may place these people only in farther bondage, temporarily disguised as freedom. It is our duty as born again Christians in God's remnant church to do all in our power to save from utter ruin those oppressed by the devil.

"There are those who will not make a charge upon the enemy when required of God to do so. They will do nothing until others have fought the battle and gained the victory for them, and then they are ready to share the spoils. How much can God count upon such soldiers? They are accounted as cowards in His cause. This class, I saw, gained no experience for themselves in regard to warfare against sin and Satan. They were more inclined to fight against the faithful soldiers of Christ

God's Cleansing Stream Chris Hayward, 2004-12-29 God's Cleansing Stream reveals why every church needs a deliverance ministry and teaches pastors and counselors how they can put one to practical use. Deliverance was originally part of every church but the rise of self-help programs and the idea of an individual's ability to change without God's help edged the Church away from God's Word and power. Instead, deliverance came to be thought of as mere superstition. Now Chris Hayward provides tools for churches to reestablish this effective, proven ministry so that it can liberate captive souls and advance God's plans in the lives of individuals everywhere. [A Deliverance Training Manual](#) Neville Salvetti, 2012-04-21 This book is the result of 10 years doing deliverance on the Internet so is proven by practice. It deals with associated matters of deliverance as well as the Five Steps I was shown as the key to deliverance and fighting Satan. This presents a simple way of fighting Satan and doing deliverance so that no one has really any excuse for not fighting Satan or doing deliverance. It is based on the Lordship of Christ and our position in the Kingdom of God. The principles stated in this book have changed the life of many and I believe will change your life if you honestly evaluate them. [Deliverance Training Manual 101](#) Robert Summers, 2017-03-02 Deliverance was a core ministry of the Lord Jesus Christ that was passed on to His apostles and disciples. Believers today have been commanded in scripture to cast out devils; however, we find most churches don't practice this fundamental ministry or provide the training necessary to properly address demonic strongholds in people's lives. Unfortunately, most believers today cannot recognize demons, evil spirits, or strongholds present in people's lives. If they do, they lack the training necessary to get the people in bondage delivered from the enemy. In many cases, victims of demonic strongholds are brought to the Pastor and typically, counseling replaces biblically based deliverance ministry. In our modern society, many are coming into our churches from the occult, witchcraft, spiritualism, and the new age movement. Others come in with emotional issues and wounds that have built up over decades. The church must be properly trained in the area of deliverance to address this. The purpose of this training manual is to equip you in the area of casting out demons. This manual is the result of extensive research and hours studying on the topic of deliverance. **The British Study Edition of the Urantia Papers Book [A4 PDF]**, *Caught in the CROSS-Fire* Michael Kenneth Wilson, 2025-07-31 There are insidious forces threatening to shape people's lives in ways that may or may not meet with their approval and certainly do not meet with God's. This book deals with the nature and impact of these highly dangerous forces and what is involved in successfully countering them.
