Against the backdrop of uncritical promotions of English medium instruction (EMI) in higher education globally, this edited volume maps out the political, ideological and policy-related issues of EMI programs in multilingual and multicultural universities in Asia. In this volume, EMI researchers and practitioners involved in different Asian countries and regions have collaboratively unpacked the critical dimensions of EMI programs in higher education with a goal to provide much-needed resources for researchers, graduate students, higher education leaders and policymakers. This volume is the first of its kind in that it provides an exclusive and critical tapestry of EMI at multilingual universities from all parts of Asia including Central Asia, Kazakhstan, East Asia, Mainland China, Korea, Japan and Taiwan, South Asia, Bangladesh and Nepal, Southeast Asia, Brunei, Malaysia, Philippines, Thailand and Vietnam and Western Asia, United Arab Emirates. The key takeaway for the reader is to not only understand the current phenomenon of EMI in Asian universities but to also learn the dark side of its policies, programs and practices that have led to unequal teaching and learning spaces in diverse societies. This collection will be of interest to scholars and policymakers in English medium instruction, English language teaching, TESOL and applied linguistics. **Bullets of '71** Dr. Nuran Nabi, 2010-08-27

Bullets of '71: A Freedom Fighter's Story details Dr. Nuran Nabi's experience growing up in rural Bangladesh and living through the tumultuous episodes of the Bangladesh liberation movement and the liberation war. This is the true story of how a frail young man developed into a politically conscious student activist before transforming into a heroic freedom fighter in the Bangladesh Liberation War. Throughout Dr. Nabi's narrative, the untold stories of the Bangladesh Liberation War unfold. The sacrifices and

heroic actions captured through Dr Nabi's words define more than his accomplishments they define his entire generation The Bangladesh Liberation War was a people's war Men and women young and old students farmers bureaucrats laborers political activists and defected Bengali soldiers of the Pakistani military all joined the liberation war Bullets of 71 is their story The Bangladesh liberation war was bloody Three million people were killed thousands of women were raped and ten million people were forced to become refugees However this story transcends the events of the war It explores the political backdrop amongst China the United States the Soviet Union and India Dr Nabi effectively illustrates how the selfish decisions of a few world leaders led to millions of crimes perpetrated against humanity But among all the pages in this book none are more candid and horrific than those that cover the atrocities committed by the Pakistani military Although the Bangladesh genocide unfolded during the nine months of the liberation war Dr Nabi thoughtfully separates these stories to remind us of why he and his fellow freedom fighters fought Bullets of 71 A Freedom Fighter's Story is the most authentic account of the events that transpired in 1971 Bangladesh It is a captivating story that captures the elements of the universal struggle for freedom
