Dear Dr. Wells,

I'm writing to you to seek advice. My name is Omar and I'm a secondary School student. I can't make up my mind about a personal problem.

I'll sit for the baccalaureate exam soon. I'll certainly succeed, but my parents are old and are in need of financial help. I would really like to help them. However, if I do so, I will have to give up my dream of becoming a doctor. In short I am in a dilemma. On the one hand, if I decide to help, I will have to renounce to my registration at the university. On the other hand, if I don't, I'll feel guilty of not helping my family. I have no one to turn to. What should/can I do?

Sincerely,
