

GATTACA Discussion Questions

1. The film starts with two quotes that are 180 degrees apart. Here they are:

*"Consider God's handiwork; who can straighten what He hath made crooked?" – Ecclesiastes 7:13
(The Bible)*

*"I not only think that we will tamper with Mother Nature, I think Mother wants us to." - Willard Gaylin
(American Psychiatrist)*

Explain the significance of these two quotes as they relate to this film.

The first quote would have us leave things alone, regardless of the fact that we have the ability to change. The second quote supports the idea of people using knowledge to impact their everyday lives, even though we may not know the consequences.

2. When Vincent was born and the DNA from his blood was analyzed the nurse indicated the probability of a variety of things (all bad) that would happen to Vincent. What things did Vincent have to overcome?

- 1. Neurological Condition: 66%**
- 2. Manic Depression: 42 %**
- 3. ADD: 86 %**
- 4. Heart Disorder: 99 %**
- 5. Early Fatal Potential /Life Expectancy: 30.2 yrs.**

Vincent was a "faith birth" (just like you and me) and as such, received a random selection of genes from his parents. In addition to the above probable physical outcomes, Vincent had to overcome prejudice and inequality not only from society but from his own family. In an effort to achieve his goals, he had to do something illegal and live someone else's life; a "borrowed ladder", or to live as a "degenerate"
