Playing War Sabine Frühstück,2017-07-18 Playing War Field games Paper battles Picturing war The moral authority of innocence Queering war Epilogue the rule of babies in pink **Decentralization and Constitutionalism in Africa** Charles M. Fombad,Nico Steytler,2019-09-10 This collection of essays assesses the efforts of African governments to constitutionalise decentralisation be it in the form of federalism local government or traditional authorities Since the end of the Cold War jurisdictions across Africa have witnessed an ostensible return to multi party democracy within the paradigm of constitutionalism and the rule of law Linked to the democratisation process many countries took steps to decentralize power by departing from the heavily centralized systems inherited from colonial regimes The centralization of power typically characterized by the personalization and concentration of power in the hands of leaders and privileged elites in capital cities

mostly resulted in repressive regimes and fragile states As decentralisation is a response to these challenges this volume analyses the dynamic relationship between the efforts to implement decentralization and presence or absence of constitutionalism This volume examines a variety of forms and degrees of decentralization found across Africa It advances a new understanding of trends and patterns and facilitates the exchange of ideas among African governments and scholars about the critical role that decentralisation may play in democratization of and constitutionalism in Africa **Emergency**

Incident Management Systems Mark S. Warnick, Louis N. Molino, Sr., 2020-01-22 The second edition was to be written in order to keep both reader and student current in incident management This was grounded in the fact that incident management systems are continually developing These updates are needed to ensure the most recent and relevant information is provided to the reader While the overall theme of the book will remain the same of the first edition research and research based case studies will be used to support the need for utilizing emergency incident management systems Contemporary research in the use and non use of an incident management system provides clear and convincing evidence of successes and failures in managing emergencies This research provides areas where first responders have misunderstood the scope and use of an emergency incident management system and what the outcomes were Contemporary and historical research based case studies in the United States and around the globe have shown the consequences of not using emergency incident management systems including some that led to increased suffering and death rates Research based case studies from major incidents will be used to show the detrimental effects of not using or misunderstanding these principles One of the more interesting chapters in the new edition is what incident management is used around the world Researching the Military Helena Carreiras, Celso Castro, Sabina Frederic, 2016-03-02 Researching the Military focuses on the experiences of researchers who study the military around the world It explores the historical social institutional and personal factors that frame research and scrutinize the way knowledge in this area impacts society and policy More than merely analyzing research experiences yet necessarily including them it is also about the experiences of researchers their position with regard to the object of their studies the institutional context where they work and the way their research impacts the academic and policy making fields in the respective countries The common theme to the various chapters is reflexivity a conscious effort at addressing the conditions of research and the position of the researcher and the research participants in that interface By collecting diverse experiences of researchers from across the world this volume aims to enhance reflexivity in the field of military studies and to encourage the exchange of knowledge between the academic field and the military arena This book will be of much interest to students of military studies research methods sociology social anthropology and security studies in general Journal of the House of Representatives of the United States United States. Congress. House, 2007 Some vols include supplemental journals of such proceedings of the sessions as during the time they were depending were ordered to be kept secret and respecting which the injunction of secrecy was afterwards taken off by the order of the House

Professional Journal of the United States Army ,2009-11 *Managing Violent Religious Extremism in Fragile States*

Abosede Omowumi Babatunde, Mahfouz A. Adedimeji, Shittu Raji, Jacinta Mwendu Maweu, John Mwangi Githigaro, 2021-09-30
This book examines how African states can build the institutional capacity to better prevent manage and cope with the new security challenges posed by violent religious extremism Despite the evidence that violent religious extremism is exacerbated by underlying social political economic and governance factors many states have focused their efforts only on reactive and coercive response strategies overlooking more long term measures This comparative study of Nigeria and Kenya reflects on why insurgency in Kenya has not escalated to full blown terrorism as it has with Boko Haram in Nigeria in spite of the similarities in relatively weak institutions of governance and colonial legacies across the two countries The book interrogates the policy and institutional responses that have been put in place in both countries to address security challenges and the extent of their efficacy in light of the intricate networks of politics governance corruption poverty and violence and the relative fragility of state institutions The authors highlight the areas of convergence and divergence in institutional capacities and recommend policies to enhance the capacity of institutions to manage violent religious extremism This book will be of interest to scholars of African Politics Security Peace Studies and Terrorism **Finding Gallipoli** Brad West, 2022-04-28

This book is about how Australian and Turkish historical understanding of the First World War Gallipoli Campaign has been shaped by travel to the battlefield for the purposes of commemoration Utilizing a cultural historical method the study begins with examining how cultural conceptions of travel influenced the experience of those fighting in the 1915 Battle and ends with the way that new global insecurities and the withdrawal of Western troops from Afghanistan in 2021 is reflecting and influencing Australia and Turkey s social memory of their military past This wide historical lens and the author s original fieldwork and analysis of documents allows for an in depth exploration of the ways in which cultural patterns of social memory develop over time and mapping of how specific cultural representations in the past are reclaimed The book argues that travel is a key factor influencing social change by providing distinctive ritual experiences that afford unique discursive opportunities and empowering particular carriers and custodians of social memory **TERRORISM: COMMENTARY ON SECURITY DOCUMENTS VOLUME 146** Douglas C.
