

D: Answer Keys

Week One

(starting ____/____)

Teaching points for this week: Review participles, compound sentences, and the *understood you*. Point out that *for* can be a preposition or a coordinating conjunction depending on how it's used. Discuss the difference between adverbial and adjectival prepositional phrases. In most cases, an adverbial prepositional phrase can be moved within the sentence while an adjectival one cannot. Help students figure out that *thy* means *your*. Note that some people prefer to label possessive pronouns as adjectives. If your students have not diagrammed before, consider drawing the diagram lines for them to fill in for the first few weeks. (quotation by Ralph Waldo Emerson)

Monday: Identify parts of speech including noun (type), pronoun (type, case, person), verb (type and tense), adverb, adjective, article, preposition, conjunction (type), interjection, infinitive, gerund, participle.
