## **Disease Detective Zombie Outbreak:**

**Epidemic Cinema** Julia Echeverría, 2023-12-08 This book examines the recent trend in global cinema to feature infectious disease As the global crisis of the COVID 19 pandemic materialised the anxieties and discourses of world risk that had long been portrayed in popular media the book provides a novel definition of the epidemic film genre and offers a systematic look into the narrative and stylistic conventions that characterise it Epidemic Cinema traces the evolution of the genre from its early cinematic origins to establish the founding principles of a genre standing at the crossroads between science fiction and horror It draws on close textual analysis to show how the pandemic reified one of the central predicaments of epidemic narratives the constant tension existing between free floating phenomena and the impulse to control and resist such phenomena ultimately epitomised by the trope of the border Showing how infectious diseases offer a rich allegorical frame which cinema uses to articulate timely anxieties of growingly invisible and deterritorialised risks the author presents the prevalence of contagion in popular culture as a symptom of this growingly viral and virus ridden context both in its most literal and metaphorical sense This insightful study will interest students and scholars of film studies global cinema science fiction horror popular culture and genre theory *Junker's Moon: A Grave Concern* Peter Salisbury, Inspector Vanessa Robin was tormented by one thing more than anything else from her past that her ruthless pirate husband was held in a top security jail for his crimes Until she stood face to face with the man who had led her through years of murder and mayhem she would never feel truly free Vanessa's attempt to gain access to the prison's remote location would have deadly repercussions reaching all the way to Junker's Moon **The Book of the Undead A Zombie Film Guide** Terry Rowan, 2012-03-05 A comprehensive film guide featuring films about zombies the undead and other such creatures of the dead **Deviance in Neo-Victorian Culture** Saverio Tomaiuolo, 2018-10-03 This book argues that deviance represents a central issue in neo Victorian culture and that the very concept of neo Victorianism is based upon the idea of diverging from accepted notions regarding the nineteenth century frame of mind However the study of the ways in which the Victorian age has been revised by contemporary authors does not only entail analogies with the present but proves by introducing what is perhaps a more pertinent description of the nineteenth century that it was much more deviant than it is usually depicted and perceived Deviance in Neo Victorian Culture Canon Transgression Innovation explores a wide variety of textual forms from novels to TV series from movies and graphic novels to visual art The scholarly and educational purpose of this study is to stimulate readers to approach neo Victorianism as a complex cultural phenomenon **Disruption in the Arts** Lars Koch, Tobias Nanz, Johannes Pause, 2018-08-21 The volume examines from a comparative perspective the phenomenon of aesthetic disruption within the various arts in contemporary culture It assumes that the political potential of contemporary art is not solely derived from presenting its audiences with openly political content but rather from creating a space of perception and interaction using formal means a space that makes hegemonic structures of action and communication

observable thus problematizing their self evidence The contributions conceptualize historical and contemporary politics of form in the media which aim to be more than mere shock strategies which are concerned not just with the narcissistic exhibition of art as art but also with the creation of a new common horizon of experience They combine the analysis of paradigmatic works procedures and actions with reference to theoretical debates in the fields of literature media and art of the twentieth and twenty first centuries The essay collection shows how textual visual auditive or performative strategies disclose their own ways of functioning intervene in automated processes of reception and thus work on stimulating a sense of political possibilities The editors acknowledge support from the European Union s Seventh Framework Program FP 7 2007 2013 ERC grant agreement no 312454

**The Calculus Diaries** Jennifer Ouellette, 2010-08-31 Kiss My Math meets A Tour of the Calculus Jennifer Ouellette never took math in college mostly because she like most people assumed that she wouldn t need it in real life But then the English major turned award winning science writer had a change of heart and decided to revisit the equations and formulas that had haunted her for years The Calculus Diaries is the fun and fascinating account of her year spent confronting her math phobia head on With wit and verve Ouellette shows how she learned to apply calculus to everything from gas mileage to dieting from the rides at Disneyland to shooting craps in Vegas proving that even the mathematically challenged can learn the fundamentals of the universal language

*Studying Political Communication and Media in East Asia* Florian Schneider, 2025-10-01 Communication is at the heart of politics and certainly in East Asia where vibrant media systems and cultural industries connect with political processes that range from the democratic to autocratic If we are to understand East Asian societies and 21st century politics more broadly we need to take media and communication seriously This textbook provides a flexible toolbox of methods and theories for studying political communication Taking its examples and exercises from Japan Korea and the Chinese speaking world it walks readers through core issues media contents and communicative modes Readers will learn how to systematically analyse the politics of media environments written and spoken words images and visual designs moving image space and spatial interactions video games and more The chapters can be used individually or optionally as a playful gamified course that offers learners a first hand experience of how complex information societies incentivise behaviour

and well written A real standout Mystery Scene Bestselling thriller writer Tess Harrow is almost at the end of her rope when she arrives with her teenage daughter at her grandfather's rustic cabin in the woods She hopes this will be a time for them to heal and bond after Tess's recent divorce but they've barely made it through the door when an explosion shakes the cabin Suddenly it's raining fish guts and is that a human arm Tess was hardly convincing Gertie that a summer without Wi-Fi and running water would be an adventure Now she's thrust into a murder investigation neighbors are saying they've spotted Bigfoot in the woods near her cabin and the local sheriff is the spitting image of her character Detective Gabriel Gonzales something he's less than thrilled about With so much more than her daughter's summer plans at stake it's up to Tess to solve this case before anyone else gets hurt Put your sleuthing hat on Buried in a Good Book features A thriller writer who knows way more than anyone should about death and dismemberment Her young daughter who's more intrigued by dead bodies than she probably should be An isolated cabin in the woods that's probably definitely hiding something The tiny mountain town that seems less than troubled by a sudden abundance of murders **Talking Book Topics** ,2014-03 *Health Psychology* Karen Rodham,2018-09-29 What are the processes that lead to illness and inversely to health and wellness How can healthcare systems be improved to help prevent and manage illness What are the primary political and lifestyle factors that can contribute to the promotion of public health and wellbeing Part of the Palgrave Insights in Psychology series this straight forward text provides a well rounded introduction to the topic of health psychology and delivers an overview of the key issues within the discipline Readers can expect to learn about the various sub disciplines that comprise this interdisciplinary area of psychology such as sociology medicine and politics Written for those who would like to gain a general understanding of the profession and discipline of the subject this book introduces the main disorders at the heart of health psychology's focus such chronic illness cancer pain stress smoking cessation and weight loss Further Rodham examines the behavioural factors and wider political processes that affect the psychology of health illness and healthcare in society This title stands as part of the Insights series edited by Nigel Holt and Rob Lewis containing well rounded quick guides to the cornerstone theories main topics and theoretical perspectives of their subjects and are useful for pre undergraduate students looking to find incisive introductions to subjects that they may be considering for undergraduate study or those looking for helpful preparatory reading for undergraduate modules in the prospective subject **The Publishers Weekly** , **The New Yorker** ,1995 **VideoHound's Golden Movie Retriever** Jim Craddock,2004 Reviews movies that are available on DVD or tape Each entry includes title alternate title one to four bone rating year released MPAA rating brief review length format country of origin cast technical personnel awards and made for television cable video designations **Cannibalizing Queer** João Nemi Neto,2022-02-08 Puts forward a new provocative history of queer cinema in Brazil Through an analysis of contemporary Brazilian cinematic production Cannibalizing Queer Brazilian Cinema from 1970 to 2015 discusses which queer representations are erased and which are acknowledged in the complex processes of

cultural translation adaptation and devouring that defines the Brazilian understanding of sexual dissidents and minorities Jo o Nemi Neto argues for Brazilian cinema studies to acknowledge the importance of 1920s modernism and of antropografia a conceptual mode of cannibalism to adopt and extrapolate a perverse form of absorption and raise the stakes on queer theory and postcolonialism and to demonstrate how they are crucial to the development of a queer tradition in Brazilian cinema In five chapters and two trailers Nemi Neto understands the term queer through its political dimensions because the films he analyzes represent characters that conform neither to American coming out politics nor to Brazilian identity politics Nonetheless the films are queer precisely because the queer experiences and affection explored in these films do not necessarily insist on identifying characters as a particular sexuality or gender identity Therefore attention to characters within a unique cinematic world raises the stakes on several issues that hinge on cinematic form narrative and representation Nemi Neto interviews and examines the work of Jo o Silv rio Trevisan and provides readings of films such as AIDS o furor do sexo expl cito AIDS the Furor of Explicit Sex 1986 and Dzi Croquetes Dzi Croquetes 2009 to theorize a productive overlap between queer and antropofagia Moreover the films analyzed here depict queer alternative representations to both homonormativity and heteronormativity as forms of resistance at the same time as prejudice and heteronormativity remain present in contemporary Brazilian social practices Graduate students and scholars of cinema and media studies queer studies Brazilian modernism and Latin American studies will value what one early reader called a point of departure for all future research on Brazilian queer cinema      *Halliwell's Film, Video & DVD Guide* ,2008
