Papers New Haven Colony Historical Society, New Haven, 1882 **Papers of the New Haven Colony Historical Society** New Haven Colony Historical Society, 1888 The Correspondence of John Cosin, D.D. ... Together with Other Papers Illustrative of His Life and Times Surtees Society (Durham, City of), 1869 **Selected Papers on Ancient Literature and its Reception** Philip Russell Hardie, 2023-08-21 This volume gathers together about two thirds of the articles and essays published between 1983 and 2021 by Philip Hardie whose work on ancient literature has been of seminal importance in the field The centre of gravity lies in late Republican and Augustan poetry in particular Lucretius Virgil and Ovid with important contributions on wider Augustan culture on Neronian and Flavian epic on the Latin poetry of late antiquity and on the reception of Latin poetry **The Homiletic Review** , 1887 **Working Papers in Linguistics** , 1976

The Papers of Martin Luther King, Jr., Volume II Martin Luther King Jr., 2023-11-15 Martin Luther King Jr s ideas his call for racial equality his faith in the ultimate triumph of justice his insistence on the power of nonviolence to bring about a major transformation of American society are as vital and timely as ever The wealth of his writings both published and unpublished are now preserved in this authoritative chronologically arranged multi volume edition Volume Two begins with King s doctoral work at Boston University and ends with his first year as pastor of the historic Dexter Avenue Baptist Church in Montgomery Alabama It includes papers from his graduate courses and a fully annotated text of his dissertation There is correspondence with people King knew in his years prior to graduate school and a transcription of the first known recording of a King sermon We learn too that Boston was where King met his future wife Coretta Scott Accepting the call to serve Dexter the young King followed the church s tradition of socially active pastors by becoming involved in voter registration and other social justice issues In Montgomery he completed his doctoral work and he and Coretta Scott began their marriage The Papers of Martin Luther King Jr represents a testament to a man whose life and teaching have had a profound influence not only on Americans but on people of all nations The Martin Luther King Jr Papers Project at Stanford University was established by the Center for Nonviolent Social Change Inc in 1984 Martin Luther King Jr s ideas his call for racial equality his faith in the ultimate triumph of justice his insistence on the power of nonviolence to bring about a major transformation of American society are as vital and timely as ever The wealth of **Collected Papers on Alexander the Great** Ernst Badian, 2012-03-12 Professor Ernst Badian 1925 2011 was one of the most influential Alexander historians of the twentieth century His first articles on the subject appeared in 1958 and he continued for a full fifty years to reshape scholarly perception of the reign of Alexander the Great A steady output of articles was reinforced by lectures and reviews in his own formidable style Badian s earliest work transformed understanding of aspects of the Roman Republic and he continued to work on that area throughout his career but his series of studies of Alexander the Great which he deliberately never summed up in a synoptic work demolished the hero of his predecessors such as Droysen and Tarn whom he regarded as starry eyed

hero worshippers and created an Alexander on the model of a twentieth century tyrant The Alexander who was a ruthless killer of his rivals and those who disagreed with him a mass murderer in his conquests and perhaps even an incompetent imperialist has superseded the Alexander whose mission it was to bring Greek civilization to the ends of the earth These essays and articles provide a new layer in the interpretation of a figure who has not ceased to fascinate since his death in 323 BC Many of these articles were published in out of the way journals and conference volumes and are brought together here for the first time in a collection which will provide student and scholar with a view of the full range of Badian s work on Alexander Certain ephemeral pieces and all reviews except one have been excluded by the wish of the author The twenty seven articles included were all revised by the author before his death but there has been no other editorial intervention The volume also includes a portrait and an introduction by Eugene Borza surveying Badian s career and contribution No one who works on Alexander the Great can afford to be without this book

Selection of Reports and Papers of the House of Commons ,1836 **Philosophical Papers and Letters** G.W. Leibniz,1975-12-31 The selections contained in these volumes from the papers and letters of Leibniz are intended to serve the student in two ways first by providing a more adequate and balanced conception of the full range and penetration of Leibniz s creative intellectual powers second by inviting a fresher approach to his intellectual growth and a clearer perception of the internal strains in his thinking through a chronological arrangement Much confusion has arisen in the past through a neglect of the develop ment of Leibniz s ideas and Couturat s impressive plea in his edition of the *Opuscu es et fragments* p xii for such an arrangement is valid even for incomplete editions The beginning student will do well however to read the maturer writings of Parts II III and IV first leaving Part I from a period too largely neglected by Leibniz criticism for a later study of the still obscure sources and motives of his thought The Introduction aims primarily to provide cultural orientation and an exposition of the structure and the underlying assumptions of the philosophical system rather than a critical evaluation I hope that together with the notes and the Index it will provide those aids to the understanding which the originality of Leibniz s scientific ethical and metaphysical efforts deserve The Church of England quarterly review ,1841
