Organizational Behaviour and Work Fiona M. Wilson, 2018 A critical yet accessible introduction to organisational behaviour and work this book will help you understand the complexities of organisational life and evaluate modern business practices Classic organisational behaviour topics such as team working motivation and change are complemented by core critical approaches such as power and control organisational misbehaviour and health and well being through a clear three part structure Students are encouraged to look beyond a descriptive approach and truly engage with the content Examples and Stop and Think boxes placed throughout chapters as well as end of chapter case studies with accompanying questions provide the opportunity for this engagement and show how each chapter's theoretical coverage applies in real life business situations

Listening to and Learning from Students Brian D. Schultz, 2011-01-01 This book embraces the idea of listening to and learning from students Although many educational theorists have long argued that incorporating children's perspectives about teaching and curriculum has the potential for increasing students interest and participation in learning their radical perspectives are still ignored or dismissed in theory and practice Through featured essays historical excerpts and provocative poetry this collection provides research literature and inquiry ideas that ought to be part of educational debates policy discussions and decision makings Articulated through thoughtful prose and discerning analysis youth teachers and scholars featured in this collection illuminate the power and promise of not only listening to and learning from students but also acting upon the insights of students This book calls for the 21st century educational workers teachers educators parents community workers administrators and policy makers to perceive students as massive reservoirs of knowledge that invigorate possibilities for teaching learning and curriculum in the contested educational landscape

Global War Crimes Tribunal Collection: The Rwanda Tribunal, 2007 *The Lowdown on China's Higher Education* Martin Wolff, 2011-07-12 Obviously you are not chanting the exultations of China which many of my country people are used to listening to A Chinese scholar recognizes that this book is not a further attempt to curry favor with China by tickling its leaders ears This book examines what is right and the truth about what is wrong with English language education in Chinese colleges and universities As our Chinese colleague

further states Most Chinese are learning English like one learning swimming ashore We have been writing about these shortcomings for ten years It arises because administrators posted to their positions due to party affiliation and good standing are basically ignorant of administration and educational matters The VIPs of EEC believe that they know while they don't what are under their supervision the professionals of EEC believe that what they are doing academically is helpful while it's not The two types are making the common non professional people believe that they are knowingly reliable while they are not The educated as well as the illiterate do not know what to do and what not to do what is correct and what is wrong what is worthy and what is not etc The weakness from the historical perspective is also a consequence of modern Chinese history whose knowledge most Chinese people are poor at but reluctant to admit This book could not be published within China due to its truthfulness

Life in the Balance Leader's Guide Joni Eareckson Tada, 2010-08-11 Never before has it been so important for Christians to discover the answers God's Word holds to our culture's biggest ethical and social dilemmas Every day the 24 hour news cycle offers stories from around the world of unimaginable physical mental and emotional suffering Yet more often than not these stories and the underlying problems they represent are reported with no suggestions for resolution Can it really be true that there are no solutions to our world's biggest crises Joni Eareckson Tada refuses to believe it On her TV show she has interviewed scores of people who have faced life's toughest battles and emerged victorious In *Life in the Balance* Joni and her friends take on some of the most difficult issues covered by the evening news such as street violence abortion autism genocide and stem cell research But they don't just tell the stories they dig deep into the Word of God to find real and lasting solutions to so called unsolvable problems This workbook designed for participants in a *Life in the Balance* individual and group study will guide readers to apply the timeless yet timely truth of God's Word to society's greatest challenges

Writing in Film Studies, from Professional Practice to Practical Pedagogy Bryan Mead, 2024-01-09 A common refrain heard from instructors in offices across the world is that students have a hard time producing quality written discourse This is no different in the world of film studies where many undergraduate students struggle to cogently discuss the films they watch in class How can film instructors help students become better writers This book answers this question by first uncovering the disciplinary expectations we have for students and then offering strategies to explicitly teach those expectations in the classroom This book examines and identifies the disciplinary conventions of professional film studies discourse along with the expectations we have for student writing in undergraduate film courses What becomes clear from this analysis is that the pedagogical expectations we have for students are aligned with and shaped by professional writing in the discipline It helps to uncover the argument types instructors take for granted and helps those teaching undergraduate students not only to know what those expectations are but also how to use that knowledge to foster better student writing
