elsewhere My Thoughts Be Bloody tells a new story one that explains for the first time why Lincoln s assassin decided to conspire against the president in the first place and sets that decision in the context of a bitterly divided family and nation By the end of this riveting journey readers will see Abraham Lincoln s death less as the result of the war between the North and South and more as the climax of a dark struggle between two brothers who never wore the uniform of soldiers except on stage *Core List for an Environmental Reference Collection* ,2002 *Catalog of the Library of the Academy of Natural Sciences of Philadelphia* Academy of Natural Sciences of Philadelphia.
