Grade 11-12 Informative/Explanatory

W.11-12.2 Write informative/explanatory texts to examine a topic and convey ideas, concepts, and information through the selection, organization, and analysis of relevant content.

- a. Introduce a topic; organize complex ideas, concepts, and information so that each new element builds on that which precedes it to create a unified whole; include formatting, graphics and multimedia when useful in aiding comprehension
- b. Develop the topic thoroughly by selecting the most significant and relevant facts, extended definitions, concrete details, quotations, or other information and examples
- c. Use appropriate and varied transitions and syntax to link the major sections of the text, create cohesion, and clarify the relationships among complex ideas and concepts
- d. Use precise language and domain-specific vocabulary and techniques such as metaphor, simile, and analogy to manage the complexity of the topic
- e. Establish and maintain a formal style
- f. Provide a concluding statement or section that follows from and supports the information or explanation presented (e.g., articulating implications or the significance of the topic)

The Reading/Thinking/Writing Task

Students were given a single text to read, an excerpt from the essay “Intimations” by E.B. White. The essay was originally written for the *New Yorker* magazine in 1941, three days after the bombing of Pearl Harbor. The students worked with the Focusing Question “*In this essay, who is White’s audience and what is his key message for them about the war? How does he use rhetorical strategies to help make his message clear to that audience?*” The students read the text independently, then participated in a group discussion (with some background instruction) about audience and rhetorical strategies. Writing was independent.

This is a question that requires inferential thinking and analysis of the text, as well as knowledge of rhetorical strategies. The question requires “three layers” of thinking – an understanding of White’s text, an understanding of White’s audience, and an understanding of how specific language in the text reaches that audience. Students need to synthesize these three layers into a single well-focused and well-developed essay.

Focus of the Writing Task

*In this essay, who is White’s audience and what is his key message for them about the war?
How does he use rhetorical strategies to help make his message clear to that audience?*
