Rethinking Holocaust Film Reception Stefanie Rauch, 2020-12-10 Taking early 21st century Britain as a case study Rethinking Holocaust Film Reception A British Case Study presents an intervention into the scholarship on the representation of the Holocaust on film Based on a study of audience responses to select films Stefanie Rauch demonstrates that the reception of films about the Holocaust is a complex process that we cannot understand through textual analysis alone but by also paying attention to individual reception processes This book restores the agency of viewers and takes seriously their diverse responses to representations of the Holocaust It demonstrates that viewers interpretative resources

play an important role in film reception Viewers regard Holocaust films as a separate genre that they encounter with a set of expectations The author highlights the implications of Britain's lessons focused approach to Holocaust education and commemoration and addresses debates around the supposed globalization of Holocaust memory by unpacking the peculiar Britishness of viewers responses to films about the Holocaust A sense of emotional connection or its absence to the Holocaust and its memory speaks to divisions along ethnic generational and national lines

Emerging Evangelicals James S. Bielo, 2011-10 The Emerging Church movement developed in the mid 1990s among primarily white urban middle class pastors and laity who were disenchanted with America's conservative Evangelical sub culture It is a response to the increasing divide between conservative Evangelicals and concerned critics who strongly oppose what they consider overly slick corporate and consumerist versions of faith A core feature of their response is a challenge to traditional congregational models often focusing on new church plants and creating networks of related house churches Drawing on three years of ethnographic fieldwork James S Bielo explores the impact of the Emerging Church movement on American Evangelicals He combines ethnographic analysis with discussions of the movement's history discursive contours defining practices cultural logics and contentious interactions with conservative Evangelical critics to rethink the boundaries of Evangelical as a category Ultimately Bielo makes a novel contribution to our understanding of the important changes at work among American Protestants and illuminates how Emerging Evangelicals interact with the cultural conditions of modernity late modernity and visions of postmodern Christianity
