Handbook of the Economics of Finance SET: Volumes 2A & 2B George M. Constantinides, Milton Harris, Rene M. Stulz, 2013-01-21 This two volume set of 23 articles authoritatively describes recent scholarship in corporate finance and asset pricing Volume 1 concentrates on corporate finance encompassing topics such as financial innovation and securitization dynamic security design and family firms Volume 2 focuses on asset pricing with articles on market liquidity credit derivatives and asset pricing theory among others Both volumes present scholarship about the 2008 financial crisis in contexts that highlight both continuity and divergence in research For those who seek insightful perspectives and important details they demonstrate how corporate finance studies have interpreted recent events and incorporated their lessons Covers core and newly developing fields Explains how the 2008 financial crises affected theoretical and empirical research Exposes readers to a wide range of subjects described and analyzed by the best scholars **Midcentury Modern Art in Texas**

Katie Robinson Edwards, 2014-07-01 Before Abstract Expressionism of New York City was canonized as American postwar modernism the United States was filled with localized manifestations of modern art One such place where considerable modernist activity occurred was Texas where artists absorbed and interpreted the latest most radical formal lessons from Mexico the East Coast and Europe while still responding to the state's dramatic history and geography This barely known chapter in the story of American art is the focus of Midcentury Modern Art in Texas Presenting new research and artwork that has never before been published Katie Robinson Edwards examines the contributions of many modernist painters and sculptors in Texas with an emphasis on the era's most abstract and compelling artists Edwards looks first at the Dallas Nine and the 1936 Texas Centennial which offered local artists a chance to take stock of who they were and where they stood within the national artistic setting She then traces the modernist impulse through various manifestations including the foundations of early Texas modernism in Houston early practitioners of abstraction and non objectivity the Fort Worth Circle artists at the University of Texas at Austin Houston artists in the 1950s sculpture in and around an influential Fort Worth studio and to see how some Texas artists fared on a national scale the Museum of Modern Art's Americans exhibitions The first full length treatment of abstract art in Texas during this vital and canon defining period Midcentury Modern Art in Texas gives these artists their due place in American art while also valuing the quality of Texan-ness that subtly undergirds much of their production **The Civil Rights Movement in Tennessee**
