During a routine assessment, an obese 50-year-old client states, "I feel so unlovable because of my weight." Which is the best response by the nurse?

- A. Reassure the client that many obese people have concerns about sex.
- B. Remind the client that sexual relationships need not be affected by obesity.
- C. Determine the frequency of sexual intercourse.
- D. Ask the client to talk about specific concerns.

- answer Option D provides an opportunity for the client to verbalize concerns and provides the nurse with more assessment data. Options A and B may not be related to the current concern, assume that obesity is the problem, and are communication blocks. Option C may be appropriate after discussing the stated concerns.

In assisting an older adult client prepare to take a tub bath, which nursing action is most important?

- A. Check the bath water temperature.
- B. Shut the bathroom door.
- C. Ensure that the client has voided.
- D. Provide extra towels.

- answer To prevent burns or excessive chilling, the nurse must check the bath water temperature. Options B, C, and D promote comfort and privacy and are important interventions but are of less priority than promoting safety.

A nurse is working in an occupational health clinic when an employee walks in and states, "I was walking outside and I believe I was just struck by lightning." The client is alert but reports feeling faint. Which assessment will the nurse perform first?

- A. Pulse characteristics
- B. Open airway
- C. Entrance and exit wounds
- D.

*Strengthening Research Capacity and Disseminating New Findings in Nursing and Public Health* Hema Malini, Khatijah Lim Abdullah, Judith McFarlane, Jeff Evans, Yanti Puspita Sari, 2018-07-17

Andalas International Nursing Conference AINiC is a dedicated conference aimed at researchers in nursing, public health, and other health sciences topics. The 1st AINiC 2017 was held in Padang, West Sumatra, Indonesia, from 25-27 September 2017. The conference theme was Strengthening Research Capacity and Disseminating New Findings in Nursing and Public Health. This event was successful in bringing together experts, researchers, healthcare professionals, and students worldwide. It was an inspiring occasion for most of the participants and was a great opportunity for research development, learning, especially with regard to disseminating new findings in nursing and to stimulate networking of nursing professionals, researchers, and educators. The research topics that were presented during the conference have clearly indicated the need for literature development and guidance of clinical practice decisions. We hope this conference has provided ample opportunities for participants to gain a more in-depth understanding of knowledge and renewed perspectives. All these aspects have been acknowledged by the participants during the conference. The 1st AINiC was a rewarding event, and we look forward to your attendance and participation in the next AINiC conference that will also provide stimulating research developments, networking, and cooperation.
