A Legacy of Liberation Mark Gevisser, 2025-10-16 A gripping social history of South Africa s past and future and beautifully narrated by one of Africa s most esteemed journalists From Struggle to Liberation sheds light on the future of the nation under a new regime With unprecedented access to Thabo Mbeki and the top brass in the African National Congress Mark Gevisser weaves a nuanced portrait of the black experience under apartheid Revelations about the current president and the politics that continue to shape South Africa include Thabo Mbeki s difficult relationship with his own political activist and largely absent father Govan Mbeki who was imprisoned on Robben Island with Nelson Mandela How the death of his son Kwanda in the diamond mines and the murder of his brother Jama directly affected his leadership and will continue to shape the governance of Africa for years to come The reasons behind Mbeki s puzzling refusal to admit that the HIV virus causes AIDS which in South Africa claims 800 lives per day and his support of corrupt governments such as Zimbabwe s Inside rivalry between Thabo Mbeki and Jacob Zuma the populist leader destined to take over as president in 2009 This accessible account of a monumental period in world history is the definitive look at contemporary South Africa

How can there be only one dedicated hospital in the country for our children When Madiba asked this question he sowed the seeds of a challenge that would grow into a legacy A seed may be small but its size is disproportionate to what it can become over time The Nelson Mandela Children's Hospital was a project that seemed impossible when it was just an idea that started with ten people seated around a dinner table As they discussed the state of healthcare in the country and shared their experiences they realised that it was the children of Southern Africa who were the most disadvantaged by the lack of dedicated paediatric facilities At the end of the evening a statement by the late Dr Nthato Motlana took hold and became the catalyst for a remarkable journey I will speak to Nelson he said With South Africa's first democratically elected president Nelson Mandela's backing the board of the Children's Fund was inspired to take up the challenge to address this vital need After years of global research and advice from experts in numerous different fields a Trust was formed to oversee the project and critically to set about raising the one billion rand it would take to build equip and staff a state of the art children's hospital The stories behind the planning for fundraising and building of the Nelson Mandela Children's Hospital are inspiring personal and sometimes heart breaking It was a long and arduous journey beset with difficulties but the dedicated team's commitment and courage prevailed to create a living legacy that will truly impact the lives of children for generations to come Today the Nelson Mandela Children's Hospital in Johannesburg is a proud testimony to a uniquely African story which honours the memory of a great statesman and celebrates the children for whom he cared so deeply
