5. Change the narrative style by using indirect speeches :

7

"Where will you get admission after your HSC Examination? Do you have any choice?" said the teacher to Susmita. "I'm not yet sure what I have to do because everything depends on my result."
"You should have a choice. Be positive and optimistic."

Ans: The teacher asked Susmita where she would get admission after her HSC Examination and if she had any choice. Susmita replied that she was not sure yet about what she had to do because everything depended on her result. The teacher encouraged her to have a choice and to remain positive and optimistic.

The UK's Changing Democracy Patrick Dunleavy, Alice Park, Ros Taylor,2018-11-01 The UK's Changing Democracy presents a uniquely democratic perspective on all aspects of UK politics at the centre in Westminster and Whitehall and in all the devolved nations The 2016 referendum vote to leave the EU marked a turning point in the UK's political system In the previous two decades the country had undergone a series of democratic reforms during which it seemed to evolve into a more typical European liberal democracy The establishment of a Supreme Court adoption of the Human Rights Act Scottish Welsh and Northern Irish devolution proportional electoral systems executive mayors and the growth in multi party competition all marked profound changes to the British political tradition Brexit may now bring some of these developments to a juddering halt The UK's previous exceptionalism from European patterns looks certain to continue indefinitely Taking back control of regulations trade immigration and much more is the biggest change in UK governance for half a century It has already produced enduring crises for the party system Parliament and the core executive with uniquely contested governance over critical issues and a rapidly changing political landscape Other recent trends are no less fast moving such as the revival of two party dominance in England the re creation of some mass membership parties and the disruptive challenges of social media In this context an in depth assessment of the quality of the UK's democracy is essential Each of the 2018 Democratic Audit's 37 short chapters starts with clear criteria for what democracy requires in that part of the nation's political life and outlines key recent developments before a SWOT analysis of strengths weaknesses opportunities and threats crystallises the current situation A small number of core issues are then explored in more depth Set against the global rise of debased semi democracies the book's approach returns our focus firmly to the big issues around the quality and sustainability of the UK's liberal democracy Engaging Curriculum Bill Green,2017-09-18 Explicitly linking curriculum inquiry to English education via recurring themes of representation democracy and knowledge this book is a call for both researchers and practitioners to engage with curriculum explicitly and deliberately as both a concept and a question The

approach is broadly conceptual and constitutes an exercise in theoretical and philosophical inquiry While deeply informed by North American debates and developments this book offers a distinctive counterpoint and a strategically ex centric perspective being equally informed by the curriculum scene in Australia as well as the UK and elsewhere Divided into two sections this book first addresses matters of general curriculum inquiry while the second turns more specifically to English teaching and to associated questions of language literacy and literature in L1 education Green brings the two together through a critical examination of the Australian national curriculum especially in its implications and challenges for English teaching and with due regard for the project of transnational curriculum inquiry

Social isolation and loneliness among older people ,2021-07-26 This advocacy brief jointly published by WHO UN DESA ITU and UN Women aims to raise awareness of social isolation and loneliness within the wider UN system among policy makers and all relevant stakeholders It provides an overview of what is known about and solutions for these issues identifies policy opportunities to address them and outlines a strategy for the UN Decade of Healthy Ageing 2021 2030 to address social isolation and loneliness among older people

the world and the impact these have within the workplace as related to generations Y and Z

Demystifying Integrated Care - E-Book Kirsty Marshall, Hayley Bamber, Ruth Garbutt, Chris Easton, 2023-07-11 Integrated care aims to address inequality through removing fragmented health and social care. It is being adopted worldwide including in the UK where the NHS is undergoing significant transformation as it introduces integrated care for all providers. This new book aims to equip students and practitioners to take the lead in this new model of care delivery. It will help them understand the key principles of integrated care and then apply these to the design, implementation and practice of integrated care in their own work. Written by academics and operational healthcare leaders, this book is ideal for final year students of nursing, allied health and social care postgraduates and all nursing and allied health professionals who will be required to work within the UK's new integrated care systems. Comprehensive coverage of the design, implementation and practice of integrated care. Covers theory and concepts of integrated care as well as applicability to practice for individuals, organisations and systems. Presents a comprehensive and up-to-date evidence base for integrated care. Accessible to a range of practitioners. Wide range of case studies provide real-life examples of how integrated care has been applied in different areas. Contributions from academics across disciplines including nursing, occupational therapy, social care and public health. Co-written with business partners, clinical leads or specialists within their field reflects the realities of practice. Includes an international focus with examples from countries which have a strong history in integrated care such as the Netherlands, New Zealand, USA and Finland.

Handbook of Research on the Future of the Maritime Industry Senbursa, Nihan, 2022-03-25 During the COVID-19 pandemic, employees of maritime and logistics sectors have continued their activities both on shore and on board to complete operations and supply continuity of logistics management in hard times. While organizations worked to provide the best services to customers, the shipping industry suffered by the work-life changes brought by the pandemic. Changes have been felt in talent management, in new shipping, changing maritime ethics and affecting the maritime industry psychology, employee motivation, importance of seafarers and employee rights and responsibilities. The Handbook of Research on the Future of the Maritime Industry presents leaders and managers from maritime and logistics industries sharing their experiences, new paradigms, practices and strategies. This book provides practical ideas and strategies to cope with the consequences of the new normal in the wake of the global pandemic crisis. Covering topics such as employee rights, occupational safety and psychological effects, this book is an essential resource for senior executives, leaders and managers, HR professionals, lecturers, business clusters, entrepreneurs, researchers, scholars, academicians and faculty of higher education.

Active and Healthy Aging and Quality of Life: Interventions and Outlook for the Future Yulan Lin, Waqas Sami, Mila Nu Nu Htay, Sudip Bhattacharya, 2024-04-15 The continuous growth of older adult populations as a consequence of demographic changes is a huge challenge. To prevent costly and negative impacts on the population as a whole, it is crucial that societies increase their knowledge of promoting good health among older adults to promote good health and a

better quality of life in their later years Active aging is the process of optimizing opportunities for health participation and security in order to enhance quality of life as people age An active and healthy life has remained one of the most important aspirations for all people both young and older adults alike This ambition has become a genuine possibility for many due to a rising life expectancy among people of diverse attributes across the world While celebrating longer life and with more financial security in later life than ever before we need to challenge how these aspirations can be sustained through our own behavioural responses and through public policy institutional reforms and innovations The challenge is to identify recommend and promote strategies and interventions that stimulate and sustain the activity independence and health of people of all ages especially older adults and in the process promote the well being and quality of life of people and make public welfare systems more sustainable

Digitizing Diagnosis Andrew S. Lea, 2023-07-25 A fascinating history of the first attempts to computerize medical diagnosis Beginning in the 1950s interdisciplinary teams of physicians engineers mathematicians and philosophers began to explore the possible application of a new digital technology to one of the most central and vexed tasks of medicine diagnosis In Digitizing Diagnosis Andrew Lea examines these efforts and the larger questions debates and transformations that emerged in their wake While surveying the continuities spanning the analog and digital worlds of medicine Lea uncovers how the introduction of the computer to medical diagnosis reconfigured the identities of patients diseases and physicians Debates about how and whether to apply computers to the problem of diagnosis he demonstrates were animated by larger concerns about the nature of medical reasoning the definitions of disease and the

authority and identity of physicians and patients In their attempts to digitize diagnosis these interdisciplinary groups of researchers repeatedly came up against fundamental moral and philosophical questions How should doctors classify diseases Could humans understand and come to trust the opaque decision making processes of machines And how might computerized systems circumvent or calcify bias As medical algorithms become more deeply integrated into clinical care researchers clinicians and caregivers continue to grapple with these questions today

The Top Books of the Year Hsc Model Question 2015 Eng 2nd The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Let's delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year.

The Must-Read : Colleen Hoover's *"It Ends with Us"* This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail.

Hsc Model Question 2015 Eng 2nd : Taylor Jenkins Reid's *"The Seven Husbands of Evelyn Hugo"* This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Hsc Model Question 2015 Eng 2nd : Delia Owens' *"Where the Crawdads Sing"* This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting.

These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered.

The novel begins with Richard Pappen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
