geographic observations Author Judith Edwards highlights the extraordinary spirit of courage and cooperation that existed among the members of the famous expedition **The Absolutely Indispensable Man** Kal Raustiala,2023 In this political biography Kal Raustiala tells the life story of famed diplomat scholar Nobel prize winner and civil rights leader Ralph Bunche Raustiala argues that his most lasting achievement was his work against the European empire across the globe As a high ranking United Nations official in the 1950s and 1960s Bunche saw decolonization as a project of global racial justice From marching with Martin Luther King to advising presidents and prime ministers Bunche is one of the most prominent Black Americans of the twentieth century This definitive biography gives him his due It also reminds us that the end of empire had a powerful impact on America s own civil rights struggle A Credit to Their Community Shelly Tenenbaum,1993 By supplying small entrepreneurs with necessary capital to start and expand their businesses Jewish loan societies facilitated the rise up the economic ladder of the late nineteenth and early twentieth century Jews These collective institutions were an important feature of a cohesive ethnic economy in which Jewish factory owners hired Jewish workers Jewish retailers bought goods from Jewish wholesalers and Jewish shopkeepers relied on Jewish loan associations for funding A Credit to Their Community is a sociohistorical study of Jewish credit organizations from the 1880s until the end of World War II Upon their arrival in the United States during this critical period in American Jewish life Eastern European Jewish immigrants established hundreds of loan societies in communities as diverse as Nashville Tennessee Philadelphia Pennsylvania Rock Island Illinois and Portland Oregon While there is ample discussion and documentation of the over representation of Jewish immigrants in business until now the question of how these immigrant entrepreneurs raised the necessary funds to start their enterprises has not been addressed Based on primary historical documents this book analyzes the emergence growth and subsequent decline of three types of Jewish loan associations in America Hebrew free loan societies remedial loan associations philanthropic loan societies that charged relatively low interest fees and credit cooperatives The author addresses a number of issues related to the functioning of the Jewish credit organizations including the activities of women s loan associations debates about whether or not to open doors to non Jewish borrowers discussions about the merits and faults of implementing interest charges the effects of the Great Depression on loan organizations and the relations between free loan Societies and other Jewish organizations While the primary focus is on Jews the text also offers comparisons between Jewish loan societies and those of other enterprising groups such as the Japanese and Chinese This study raises an important theoretical question in the field of ethnicity namely to what extent are ethnic institutions influenced by culture cultural traits brought from countries of origin and to what extent do they emerge as responses to the new context to which immigrants have arrived In answering this question Dr Tenenbaum highlights the importance of both cultural and contextual factors for the emergence of Jewish loan associations **Coxey's Crusade for Jobs** Jerry Prout,2016-05-15 In the depths of a depression in 1894 a highly successful Gilded Age businessman named Jacob Coxey led a group of jobless men on a march

from his hometown of Massillon Ohio to the steps of the nation's Capitol Though a financial panic and the resulting widespread business failures caused millions of Americans to be without work at the time the word unemployment was rarely used and generally misunderstood In an era that worshipped the self-reliant individual who triumphed in a laissez faire market the out of work tramp was disparaged as weak or flawed and undeserving of assistance Private charities were unable to meet the needs of the jobless and only a few communities experimented with public works programs Despite these limitations Coxe conceived a plan to put millions back to work building a nationwide system of roads and drew attention to his idea with the march to Washington In Coxe's Crusade for Jobs Jerry Prout recounts Coxe's story and adds depth and context by focusing on the reporters who were embedded in the march Their fascinating depictions of life on the road occupied the headlines and front pages of America's newspapers for more than a month turning the spectacle into a serialized drama These accounts humanized the idea of unemployment and helped Americans realize that in a new industrial economy unemployment was not going away and the unemployed deserved attention This unique study will appeal to scholars and students interested in the Gilded Age and US and labor history
