Zeevat,Hans-Christian Schmitz,2015-06-19 The contributions in this volume focus on the Bayesian interpretation of natural languages which is widely used in areas of artificial intelligence cognitive science and computational linguistics This is the first volume to take up topics in Bayesian Natural Language Interpretation and make proposals based on information theory probability theory and related fields The methodologies offered here extend to the target semantic and pragmatic analyses of computational natural language interpretation Bayesian approaches to natural language semantics and pragmatics are based on methods from signal processing and the causal Bayesian models pioneered by especially Pearl In signal processing the Bayesian method finds the most probable interpretation by finding the one that maximizes the product of the prior probability and the likelihood of the interpretation It thus stresses the importance of a production model for interpretation as in Grice s contributions to pragmatics or in interpretation by abduction Mars Observer Spacecraft ,1993 Instructional Design for Special Education David Baine,1982 *Memorial Tributes* National Academy of Engineering,1979-02-01

**Developing Bus Rapid Transit** Fiona Ferbrache,2019 Bus Rapid Transit BRT is a popular mode of sustainable public urban transit given dedicated focus in this timely collection The effects of BRT are examined in depth through a range of case studies from cities across six continents including analysis of BRT planning implementation operation performance and impacts The contributions from academics and non academic experts on BRT are framed more broadly within the concept of value and how urban transport investment has and can be valued by and for society **Spirit and Place** Christopher Day,2012-06-14 Built environment surrounds us for 90% of our lives but only now are we realising its influence on the environment our health and how we think feel and behave both individually and socially Spirit how to moderate climate to make places of delight and realign social pressures so places both support society and maximise economic viability Thought provoking and easy to understand Christopher Day uses everyday examples to relate his theories to practice and our experience City of Newcastle Upon Tyne, City Centre Local Plan ,1977 Shaping Science Janet Vertesi,2020-11-06 A fascinating inside look at NASA missions that provides important insight on the organizational aspects of scientific collaboration American Journal of Sociology In Shaping Science Janet Vertesi draws on a decade of immersive ethnography with NASA s robotic spacecraft teams to create a comparative account of two great space missions of the early 2000s Although these missions featured robotic explorers on the frontiers of the solar system bravely investigating new worlds their commands were issued from millions of miles away by a very human team By examining the two teams formal structures decision making techniques and informal work practices in the day to day process of mission planning Vertesi shows just how

deeply entangled a team's local organizational context is with the knowledge they produce about other worlds Using extensive embedded experiences on two NASA spacecraft teams this is the first book to apply organizational studies of work to the laboratory environment in order to analyze the production of scientific knowledge itself Engaging and deeply researched *Shaping Science* demonstrates the significant influence that the social organization of a scientific team can have on the practices of that team and the results they yield No matter how the lakes on Titan shimmer or what the mineralogy of a particular Martian rock turns out to be it was the people behind the spacecraft keyboards and endless tele conferences that drove what these interplanetary robots discovered I'm glad to have come to know them even better through this book *Nature* A fun illuminating read scholars of science technology work and organizations will find much to appreciate *American Journal of Sociology* Will be of great interest to all historians of science **Plan Be** Terry Hinkle, 2007-12-05 *Plan BE* *Secrets of the Divine Feminine* explains the powerful information that Spirit gave to Terry Hinkle and follows the personal process that he had to go through to be able to trust and have faith in his direct connection with Spirit This evolutionary new book will show women how to Re Connect again with their Divine Gifts and embrace the higher levels of the Universal Life Force Energy that's available to them in infinite quantities By entering into Plan BE women will again Re Member that they have a power and ability to Re Connect to their natural source of healing power and sacred creative Energy in a way that no man can ever do Spirit assured Terry that the shift away from the existing male dominated paradigm has begun We are entering a new Golden Age where women will be safe to freely embrace their unique feminine gifts and create a powerful partnership with man This equal balance of the Male and Female aspects of Universal Energy is needed now more than ever to help co create a safer healthier and more prosperous world for us all *Plan BE* *Secrets of the Divine Feminine* also explains the process that a human must go through to reach the first of three levels of spiritual Ascension This empowering spiritual and physical information that Spirit explained to Terry will help women consciously and subconsciously lose all of their unnecessary fears and judgments of self and of others This personal centering in unconditional love will bring their empowered BEING the balance of Body Mind and Soul back together so that they will be able to effectively co create at the highest level with Spirit and manifest the greatest life that could ever be imagined Model Railroad Craftsman, 1946 *The Mommy Plan* Susan Gable, 2011-11-15 Even though her dad calls her Unsinkable Molly McClain eight year old Molly knows he worries about her all the time In her opinion he needs someone else to think about And Molly's found the perfect candidate Miss Rachel the arts and crafts instructor at Camp Firefly Wishes Now all Molly has to do is get them together Rachel Thompson isn't sure she's ready for this camp or these kids For one thing the campers and their parents talk openly about their experiences something Rachel's not prepared to do Her secret is too painful But little Molly and her father are hard to resist Slowly they're teaching Rachel to value the past deal with the present and believe in the future **Endangered City** Austin Zeiderman, 2016-05-19 Security and risk have become central to how cities are

planned built governed and inhabited in the twenty first century In *Endangered City* Austin Zeiderman focuses on this new political imperative to govern the present in anticipation of future harm Through ethnographic fieldwork and archival research in Bogot Colombia he examines how state actors work to protect the lives of poor and vulnerable citizens from a range of threats including environmental hazards and urban violence By following both the governmental agencies charged with this mandate and the subjects governed by it *Endangered City* reveals what happens when logics of endangerment shape the terrain of political engagement between citizens and the state The self built settlements of Bogot s urban periphery prove a critical site from which to examine the rising effect of security and risk on contemporary cities and urban life **The**
