**Calamity Jane** James D. McLaird, 2012-11-27 Forget Doris Day singing on the stagecoach Forget Robin Weigert's gritty portrayal on HBO's Deadwood The real Calamity Jane was someone the likes of whom you've never encountered That is until now This book is a definitive biography of Martha Canary the woman popularly known as Calamity Jane Written by one of today's foremost authorities on this notorious character it is a meticulously researched account of how an alcoholic prostitute was transformed into a Wild West heroine Always on the move across the northern plains Martha was more camp follower than the scout of legend A mother of two she often found employment as waitress laundress or dance hall girl and was more likely to be wearing a dress than buckskin But she was hard to ignore when she'd had a few drinks and she exploited the aura of fame that dime novels created around her even selling her autobiography and photos to tourists Gun toting swearing hard drinking Calamity Jane was all of these to be sure But whatever her flaws or foibles James D McLaird paints a compelling portrait of an unconventional woman who more than once turned the tables on those who sought to condemn or patronize her He also includes dozens of photos many never before seen depicting Jane in her many guises His book is a long awaited biography of Martha Canary and the last word on Calamity Jane

**Calamity** Karen Jones, 2020-02-04 A fascinating new account of the life and legend of the Wild West's most notorious woman Calamity Jane Martha Jane Canary popularly known as Calamity Jane was the pistol packing rootin tootin lady wildcat of the American West Brave and resourceful she held her own with the men of America's most colorful era and became a celebrity both in her own right and through her association with the likes of Wild Bill Hickok and Buffalo Bill Cody In this engaging account Karen Jones takes a fresh look at the story of this iconic frontierswoman She pieces together what is known of Canary's life and shows how a rough and itinerant lifestyle paved the way for the scattergun alcohol fueled heroics that dominated Canary's career Spanning Canary's rise from humble origins to her role as heroine of the plains and the embellishment of her image over subsequent decades Jones shows her to be feisty eccentric transgressive and very much complicit in the making of the myth that was Calamity Jane
