Parental Incarceration

Denise Johnston,Megan Sullivan,2016-03-10 Parental Incarceration makes available personal stories by adults who have had the childhood experience of parental incarceration These stories help readers better understand the complex circumstances that influence these children s health and development as well as their high risk for intergenerational crime and incarceration Denise Johnston examines her own children s experience of her incarceration within the context of what the research and her 30 years of practice with prisoners and their children has taught her arguing that it is imperative to attempt to understand parental incarceration within a developmental framework Megan Sullivan a scholar in the Humanities examines the effects of her father s incarceration on her family and underscores the importance of the reentry process for families The number of arrested jailed and imprisoned persons in the United States has increased since 1960 most dramatically between 1985 and 2000 As the majority of these incarcerated persons are parents the number of minor children

with an incarcerated parent has increased alongside peaking at an estimated 2.9 million in 2006. The impact of the experience of parental incarceration has garnered attention by researchers but to date attention has been focused on the period when parents are actually in jail or prison. This work goes beyond that to examine the developmental impact of children's experiences that extend long beyond that timeframe. A valuable resource for students in corrections, human services, social work, counseling, and related courses, as well as practitioners, program agency administrators, policymakers, advocates, and others involved with families of the incarcerated, this book is testimony that the consequences of mass incarceration reach far beyond just the offender.

How to Be A Wedding DJ James Loram, 2013-12-04

James Loram has been a professional full-time wedding DJ and planner for over 20 years. He created a downloadable wedding planner specifically for brides and grooms and was surprised when he found hundreds of DJs buying it desperate to learn the true ins and outs of planning and performing at weddings. Unfortunately, the guide was specifically designed for engaged couples, not DJs. With so many DJs out there needing help, James has put together a very thorough step-by-step guide that teaches and explains exactly what needs to be done to become a true professional wedding DJ. James discusses every aspect of being a wedding DJ:

- 1 The Commitment: It's not as easy as you think.
- 2 The Planning: It's all about personalization.
- 3 The Agenda: What works and why.
- 4 The Personality: More important than the music.
- 5 The Music: Not as important as you think.
- 6 The Day Of: Should be the least stressful part of your job.
- 7 The Equipment: It's last for a reason.
- 8 The Final Word: It's not about you.
- 9 The Wedding Songs Timeline Planner: A complete wedding planning guide.

How To Be A Wedding DJ is filled with tons of ideas on how to make a wedding fun, how to plan a wedding the right way from an event mindset, and a complete walk-through of the wedding planning process. This book is designed to bring any newbie DJ up to speed on what it takes to plan and perform at their first wedding or for the veteran DJ who needs to take it to the next level. How To Be A Wedding DJ is exactly what it claims: how to plan and DJ a ceremony and reception.

Joey Walter Joseph Martinez, 2022-09-28

Joey A Desperate Search for My One True Love By Walter Joseph Martinez. Joey is a quietly contemplative memoir about one man's journey to find true love in his life. Growing up in a broken home with an absent father and a distant mother, Joey feels isolated and unwanted from a young age and begins to seek acceptance and affection from other sources. Over the many years of his life, Joey has found many loves, most didn't last, some broke his heart, but all made an impact on him that would last forever. Throughout life's romantic trials and tribulations, Joey realizes there is one person who has always loved him and always been there for him, though Joey doesn't always realize it. God. Joey is as much an autobiography as it is a testimony to one's faith and the power of God's unconditional love.
