The Schism of Unification Church

and the Tree of Life Jongsuk Kim, 2024-07-02 This book The Schism of Unification Church and the Tree of Life Part I is a revised version of the 4th volume of the History of the Korean Messianic Movement published in 2016 and contains the core of the extensive data used in the 5th volume A Study of the Canonization the Unification Movement 2017 the 6th volume Unification Church and the Phenomenon of the Only Begotten Daughter 2017 the 7th volume The Veritable Records of Unification Church Schism 2021 and the 8th volume The only begotten daughter phenomenon seen from the Unification Principle 2023 This book also contains content not covered in the first edition and the changed situation of Unification Church since 2016 Nonetheless I put the word part 1 in the title because the detailed story of the schism of Unification Church after the founder s Seunghwa which could not be contained in this book on the page will be covered soon in the other book The reason why I titled this book The Schism of Unification Church and the Tree of Life is that although the division of the Unification Movement caused by the failure of Han Hak ja to do her responsibilities led to tragic results providence and anti providence principle and non principle good and evil were distinguished during the process of division and certainly the Unification Movement will soon be overcome and enter the path of revitalization by the Tree of Life of the heavenly lineage that has risen from the dead This book focused on comparing the identities and deeds of the major figures identified in the process of Unification Church s split namely Han Hak ja Moon Hyung jin and Moon Hyun jin based on the identity of the founder and the Unification Principle which is the core teaching Through this book readers will be able to accurately understand the causes processes and consequences of Unification Church schism and will be able to predict the future In the conclusion of the first edition I mentioned that the phenomenon of Han Hak ja s only begotten daughter is a new religious phenomenon with a different identity from the phenomenon of Unification Church of the founder Although divided I predicted that Unification Church would not collapse but would go the path of revitalization and that the third son of the founder Moon Hyun jin would lead the revitalization In retrospect my prediction was correct to some extent Han Hak ja who was the cause of the schism in Unification Church became one with the fallen archangel figures who destroyed the providence of the True Family and created a new religion to worship the only begotten daughter Heavenly Parents Holy Community which clashed with the Unification Principle On the other hand Moon Hyun jin who was expelled from the Unification Movement by Han Hak ja and the anti Moon Hyun jin forces who tried to wipe out his providential mission won nearly a decade of persecution and more than 30 lawsuits and declared that he would re establish the ideal of the True Family and True Parents which had been incomplete due to the fall of Han Hak ja and dedicate the original Foundation Day before Heaven As time passes the inner story and truth of Unification Church schism will become clearer I wrote this book

from both the perspectives of a new religion researcher an objective observer and an insider a believer The collection and analysis of data to understand the facts and inner story of the incident was done from the perspective of an observer and the internal causes of Unification Church split changes in identity and doctrine and the nature and religious significance of various events and situations that are difficult to understand for a simple observer was described from an insider s point of view **Divine Principle** Sun Myung Moon,1977 **Why Evil Rules—If God Is...** Anslie H. Abraham,2011-04-13 In this book I have consciously deliberated on the predominant question of the problem of evil and with the help of the World Scriptures and with sound reasoning I have tried to solve this age old mystery We are in the New Millennium Currently many great social transformations are taking place in our world Most likely these changes will help us find the true path for self realization leading us all back to God Therefore I am sure this book would be of tremendous value to readers Generally process of regeneration is slow it may last the whole millennium nevertheless it is imminent The fact that the above said kingdom of God or peace on earth is the most desired objective of history is the evidence of its being not only non mythical but a realistic aspiration of God and man Jesus in the above Bible verse prompts us to recognize the seasons of our age

Prophets and Photons Benjamin E Zeller,2010-03-01 This in depth study shows how new religious movements offer a variety of strategies for reconciling science and religious faith By the twentieth century established religious traditions were forced to grapple with the challenges presented by scientific knowledge and innovation But emerging religions still led by a living founder to guide them found new ways to respond to science The Hare Krishnas the Unification Church and Heaven s Gate each found distinct ways to incorporate major findings of modern American science understanding it as central to their wider theological and social agendas In *Prophets and Photons* Benjamin Zeller examines how these New Religious Movements NRMs crafted their views on science during their founding period and how those views evolved over time These NRMs shed light on how religious groups new old alternative or mainstream could respond to the tremendous growth of power and prestige of science in late twentieth century America In this engrossing book Zeller carefully shows that religious

groups had several methods of creatively responding to science and that the often assumed conflict based model of science vs religion must be replaced by a more nuanced understanding of how religions operate in our modern scientific world

New Essentials of Unification Thought: Head-Wing Thought Sang Hun Lee, 2014-04-25 Unification Thought is the philosophy derived from the Divine Principle of the Reverend Sun Myung Moon. It is a powerful key that is capable of solving any problem no matter how difficult it might be. This Thought presents a new view of life of the world of the universe and God's work in history. It is a principle of integration that can bring different religious doctrines and philosophies into unity while preserving their diverse characteristics. **Asian Millenarianism** Hong Beom Rhee, 2007 This groundbreaking book reexamines the Taiping and the Tonghak movements in 19th century Asia. Providing an understanding of the movements as an expression in part of deeply rooted Asian spiritual ideas, the work also offers historical and philosophical reflections on what studies of Asian millenarianism can contribute to the comparative study of millenarianism. **Unification**

Perspectives on Peace and Conflict Transformation Dr. Thomas Ward and Dr. Claude Perrottet, 2013-02-13 This collection of essays introduces Rev Sun Myung Moon's contribution to the promotion of World Peace through an introduction to his thought system known as Unification Thought and through a presentation of his numerous projects aimed at conflict transformation. It consists of a series of essays that follow a logical sequence including an introduction to Unification Thought, a survey of peace studies and essays on foundational contributors to peace studies and Reverend Moon's own enlightening contributions to the discipline including his approach to relations with Pyongyang. **Divine Renaissance** J Todd Ferrier, 2015-04-16 Divine Renaissance Volume II opens with a call to the Soul to take flight from the world's clamour, reach the Sanctuary of Being and stand in the Great Silence of the Presence within. It goes on to reveal riches upon riches concerning the Mystery of Prayer, the Ascent of the Soul, its path to Angelic realms and its ultimate union with the Gods. The true path of the healer is revealed, the zodiacal ministry of the celestial hierarchy of Gods, the mysterious ministry of the one known as the Master and also many aspects of Christian Church Offices and truths long veiled by its Doctrine. This is the day of the Divine Renaissance when the Truth is re-revealed that will set every Soul free. Free to take flight and stand in the Presence of the Divine within and to be led by Him and Him alone to a life of Peace, spirituality and Divine Love.

Confessions of a Unificationist Jo Ann Crooks, 2020-11-15 Most of the past publicity about the Unification Church, Unification Movement and Reverend Moon has been negative. Jo Ann attempts to give an understanding of what this movement is all about based on her experiences and as seen through her eyes and explain what made her and thousands of American young people join this movement. She also tries to give a basic understanding of the Divine Principle, the teachings of Reverend Moon. She says, "I believe if the world knew even the basics of the Principle we could see the way to peace on earth as we could overcome the things that divide us now." The chapter on What We Believe deals with questions humans have been asking from the beginning of time including who or what God is, the purpose of life, our spiritual and physical bodies.

spiritual growth life after death the origin of evil the truth about the life of Jesus the purpose behind human history and the mission Reverend Moon said he was given by Jesus on a North Korean mountainside in 1936 when he was sixteen years old The purpose of giving this basic understanding is to help make happy individuals and families at a time when so many people feel there is no purpose in life or ability to save this world from destroying itself Jo Ann also explains the meaning of the Blessing which refers to the well known group wedding ceremonies a hallmark of the Unification Movement She was matched by Reverend Moon to a Japanese groom and they participated in the Blessing ceremony of 2 075 couples in Madison Square Garden New York in 1982 _____

Born in Phoenix Arizona Jo Ann Crooks grew up in the fifties sixties and seventies Like so many children of that time she grew up in an alcoholic home as her father a World War II veteran tried to deal with the horrors of war by drinking She also grew up as a Catholic and her early experiences of faith influenced her decision as a young adult to join the Unification Church Unification Movement and have helped her to continue in the church for over forty years She considers herself a regular member of the church not a leader of any kind and a typical American She has two adult children and two cats and currently lives in Tempe Arizona a city near Phoenix
