

The background is a dark, atmospheric scene. In the foreground, there are dark, jagged mountain peaks. In the mid-ground, a bright orange and red glow, resembling a sunset or a fire, is visible behind the mountains. In the sky, there are blue lightning bolts, several glowing blue and purple spheres, and a green, winged creature with a red starburst on its head. The title "QUEST OF THE HIDDEN JOURNEY" is centered in the middle of the image.

Paper Sons and Daughters Ufrieda Ho, 2012-07-04 Ufrieda Ho's compelling memoir describes with intimate detail what it was like to come of age in the marginalized Chinese community of Johannesburg during the apartheid era of the 1970s and 1980s The Chinese were mostly ignored as Ho describes it relegated to certain neighborhoods and certain jobs living in a kind of gray zone between the blacks and the whites As long as they adhered to these rules they were left alone Ho describes the separate journeys her parents took before they knew one another each leaving China and Hong Kong around the early 1960s arriving in South Africa as illegal immigrants Her father eventually became a so called fahfee man running a small time numbers game in the black townships one of the few opportunities available to him at that time In loving detail Ho describes her father's work habits the often mysterious selection of numbers at the kitchen table the carefully kept account ledgers and especially the daily drives into the townships where he conducted business on street corners from the seat of his car Sometimes Ufrieda accompanied him on these township visits offering her an illuminating perspective into a stratified society Poignantly it was on such a visit that her father who is very much a central figure in Ho's memoir met with a tragic end In many ways life for the Chinese in South Africa was self contained Working hard minding the rules and avoiding confrontations they were able to follow traditional Chinese ways But for Ufrieda who was born in South Africa influences from the surrounding culture crept into her life as did a political awakening Paper Sons and Daughters is a wonderfully told family history that will resonate with anyone having an interest in the experiences of Chinese immigrants or perhaps any
