

Reading Out Loud

How to be the Best!

Read with confidence, and if you don't
but confused, pretend!

Vary the pace of your voice, make it
go faster or slower according to
what you are reading.

Change the volume of your voice as required, from
whispering to shouting and all levels in between.

Put expression into your voice – really mean what you read.

ALONG THE WAY Stewart Flate,2014-12-16 Throughout my life I was extremely fortunate to have met many of the good people that G d placed on this earth and avoided most of the folks that he should take back and reprogram For those persons that I came to respect and love they will always be referred to by their real names To the best of my knowledge not one of them has an outstanding warrant or owes me money so I have no reason not to include them in my story Persons for whom I only use initials are very few and are only mentioned in reference to a humorous incident
