No I don't know what your problem is but my conscience isn't the one that seems to be having a problem right now. When he moved to brush past her, she grabbed his arm, her fingers gripping his bicep like a vice. The restraint snapped his tenuous control, and he rounded on her. Grasping her shoulders, he backed her against the wall. Confusion surfaced when she offered no resistance. He knew from experience she could lay him out flat in one move if she wanted. So what was her game? Hands flattened against his chest, she lifted her face to his. He swallowed hard at what he saw. Earlier, she'd turned away from him. Now the heat in her gaze was pure invitation. Closing his eyes against the temptation, he did nothing to stop latent desire from rising up to engulf him. Things had been explosive between them in the past. He discovered nothing had changed when his body hardened in response. Desperation tightened his grasp. What do you want from me? Her fingers curled into his shirt, nails scraping his chest through the silk material. I don't know, she whispered. Opening his eyes, he locked his gaze with hers and was surprised to see there was some truth to her words. Uncertainty was mixed with an intense hunger that matched his. Shallow breaths feathered his chin, raising his response level past rational thought. He slid his hands up to frame her face and lowered his head. Is it this? Giving her no chance to answer, he covered her mouth with his. He swept his tongue inside, and there was nothing tentative about his possession or her response. She tasted better than he remembered: a unique blend of sweet and spice that could never be replicated. Breaking the kiss, he rasped, Tell me, Eva. Is that what you want? Yes, she breathed.

Too bad the infuriating woman is as contrary as she is beautiful. EXCERPT: Whistling, Matt strode through the swinging door that separated the kitchen from the dining area and headed straight for the counter. He seemed rather pleased with himself. All fixed. Anything else I can do before I head over to the library? No thanks. I owe you for the air conditioner. I have to admit, Jacobs, I'm impressed. You're a hard worker, and that's something I value. His brow rose. I'm sorry, did you just compliment me? She pursed her lips in an effort to hold back a grin but lost the battle. Don't get used to it. Her pulse sped up when he reached out and traced her jaw line with his fingertips, his gaze centered on her lips. Do you have any idea how beautiful you are? Carrie suddenly became lost in those gorgeous eyes and that handsome face. Words failed her. She swallowed hard and fought to keep from melting at his feet. He started to lean in, and she panicked. Did he mean to kiss her? Right here in the shop where anyone could see them. The door opened with a tinkling sound.

and he snatched his hand back looking like a guilty little boy Talk about saved by the bell She cleared her throat and smiled as a couple of teenage girls walked up to the counter Her smile faded when she realized they weren't there as customers They both gazed up at Matt their heavily made up faces pathetically adoring Hi the curly haired blonde cooed as her brunette friend clutched onto her arm looking about ready to faint Carrie rolled her eyes Matt met her gaze amusement dancing in his eyes before shooting the girls a wink What can I get for you ladies We were just wondering what time does the library open In about two minutes Come on I'll walk you over He glanced at Carrie Same time tomorrow I'll be counting the minutes she muttered

Never Let Me Go Donna Marie Rogers, 2013-01-13 A hometown series full of sexy romance humor and heart Sheriff Chase Lowell has never been more terrified than when he discovers the diner where Hannah Porter works has been robbed at gunpoint He's been in love with her for as long as he can remember but has kept his feelings in check because she's his best friend's little sister Hannah has had a crush on Chase since she was in the third grade He's kind compassionate and as handsome as they come They've known each other forever which seems to be the problem he thinks of her more as a kid sister rather than a romantic interest But something changes the night he races into the diner and crushes her in his arms When he makes her safety his personal mission Hannah decides to make it her mission to get him to see her in a different light EXCERPT A myriad of expressions crossed her face as she seemed to wage some inner war with herself She nibbled her bottom lips as her gaze moved back and forth between his eyes and his lips Suddenly she hiked a leg over his lap and straddled him effectively stealing his breath Sheriff are you going shy on me Stunned Chase's hands settled uncertainly at her waist as he met her smiling gaze Dimples are you flirting with me he countered Maybe I am she teased her voice dropping to a throaty whisper Ah hell His hands tightened slightly on her hips as his pulse kicked into warp speed His gaze dropped to her mouth that luscious mouth as she leaned in and softly brushed her lips against his once then again with just a bit more pressure Chase's eyes drifted shut as a low moan escaped him She pulled back a few inches and whispered You okay the humor in her voice unmistakable Hannah y you don't understand What don't I understand Her warm breath feathered across his cheek Christ fool just say it The only woman you've ever felt anything for is wrapped around you like a pretzel yours for the taking and all you can do is stutter like an idiot I want you he finally admitted Then quickly added But I don't know if this is such a good idea She pulled back and stared at him in confusion Why not I want you You just admitted you want me too We're both adults What exactly is the problem Christ Dimples I've known you since you were a baby And I've known you since you were a bed wetter she countered laughter in her tone What does that have to do with anything I mean unless you still do in which case I'll need to put a mattress cover on my bed Chase gave the beautiful witch a swat on the ass She yelped playfully and wiggled in his lap I never wet the bed he insisted though his face did grow warm over the lie Please Drew and Charlie teased you about it for years The only reason they stopped is you kicked both their asses and threatened to feed them each a worm if they ever mentioned it again Damn you have a good memory Yep And I have a few other good

qualities as well She leaned in next to his ear and whispered Which I d be happy to show you if you d loosen up a bit
