**The Fall Feasts Of Israel** Mitch Glaser,Zhava Glaser,1987-08-08 Understanding the purpose and traditions of the Jewish feasts will give you a deeper appreciation for your God your heritage and the gift of redemption provided by the sacrificial death of Christ The Fall Feasts of Israel will help you understand three of Israel s most significant festivals Rosh Hashannah Yom Kippur and Sukkot A complete examination of each feast includes a look at its biblical institution its celebration in the time of Christ and its observances by Jews today The feasts and laws of the Lord were a tutor to lead the Israelites to the Savior the festivals find their fulfillment in Christ and His New Covenant This book will give you insight into what God originally intended for the sacrificial offerings [The Feasts of Israel](#) Chuck Missler,2023-01-24 PassoverFeast of Unleavened BreadFeast of First FruitsFeast of PentecostFeast of TrumpetsDay of AtonementFeast of Tabernacles The Feasts of Israel set by God are not only commemorative in a historical context but are also prophetic The first three feasts in the 1st month point to the Messiah s First Coming the last three feasts in the 7th month to His Second Coming The middle feast highlights the Church in more ways than is generally recognized Dr Chuck Missler begins to reveal the rich background of these feasts with many surprises for the Biblical believer and yet only scratches the surface **FALL FEASTS OF ISRAEL.**

**MITCH. GLASER,1999** **The Seven Feasts of Israel and the Messiah** Ronald Jean,2014-03-11 Scene by scene we are surrounded by the theatrics of the passion The panorama begins as Israel performs her seven solemn ritualistic feasts pointing to the downfall of the walls of her spiritual captivity The messianic application to Israels memorial feasts is central to her preparation to enjoy her long awaited eternal freedom As this theme remains the central focus it is followed by the redemption of the world as revealed through these feasts So beautifully illustrated in the Tenach the Jewish Bible is how the Messiah was predicted by these feasts to be the Savior of the world In retrospect reliving scenes through the narrative you will discover hidden truth underneath the surface of Israels celebrations Discover the purposes of the different Sabbaths given to Israel and how each points to a unique aspect of either creation or redemption Here you have it from many years of lectures discussions and devoted contemplation on the passion of the Christ is brought to you from a unique and inspirational perspective Gods message to His called and chosen people Many mysteries and controversies with regard to Christs week of passion are brought to the surface and addressed Harmony of the four Gospels addressing days and times of each event is clearly mapped How you can as an individual or as a body of believers apply these lessons from a Christian or Messianic perspective is clearly revealed Understanding internalizing and applying Gods Word should be the object of every Bible study

**Fulfilling the Feasts of Israel** Velda Stearns,2013-03-29 The seven Jewish feasts which God gave to ancient Israel help unlock the entire Bible They were not feasts as we think of them but were structured around the sacrificial altar to worship God The Jewish people have celebrated these feasts in one form or another for 3 500 years totally unaware they are rehearsing future events that point to the Messiah It is unfortunate that Christians rarely celebrate the feasts or understand

their significance The feasts reveal Gods divine seven thousand year plan of salvation for mankind Each feast is celebrated on the same day each year to remind of a special time in the history of Israel They reveal a record of atonement in the Old Testament and point to redemption in the New Testament The seven feasts paint a beautiful picture of Gods plan of salvation through Christ His Son They point to the soon return of our Savior Jesus Christ and the glorious future reign of the Messiah Christians refer to Him as Jesus Christ while messianic believers call Him Yeshua Understanding the significance of the feasts encourages believers to share the good news of salvation with the lost I pray you will be greatly blessed as you read

The Prophetic Feasts of Israel James C.

Taylor,2014-08-18 In the Hebrew language the word feasts literally means appointed times God appointed Seven Feasts for the Hebrew people to celebrate and to remember until the end of time Through those Seven Feasts God not only spoke directly of his plan for mankind but he also gave us some beautiful historical and future pictures of his plan of redemption and provision embedded within the precepts of the ancient Mosaic Law As we look at each of these Seven Feasts we should not only be amazed and astonished at God s consistency and perfection in all that he does but we should also realize that each event prophesied in the Seven Feasts has thus far unfolded perfectly and will continue to do so in the time to come The first Four Feasts were fulfilled in the days of Christ and the Early Church but the last three await God s perfect timing for their fulfillment in the End Time      *The Holy Days of God, The Holidays of Man* Holly M. Snead,2012-12 For two thousand years the Church Universal has celebrated the life of our Lord At Christmas we remember and celebrate his birth in a stable in Bethlehem We watch him grow to a young boy who sat at the feet of the Temple leaders and spoke wonders they could not understand We continue to watch him as he started his ministry and preached to his people of the promises of God to the people of Israel After his three years of ministry we prepare for his suffering and death and grieve at the foolishness of the people who could not believe We stand at his cross and watch as his disciples who followed him fled in fear for their lives but three days later we rejoice with the faithful women who went to the grave to grieve the loss of their Lord To their wonder and ours we rejoice in his resurrection and celebrate the life he has given us through his suffering death and resurrection We celebrate his ascension to Heaven with his promise that he would be with his disciples in the Presence of the Spirit to teach and prepare them for his return Ten days after his Ascension we witness and celebrate the Coming of the Spirit at Pentecost and rejoice in the birth of the Church We hear the words of Peter and sit in wonder of all the Spirit promised Then suddenly the Church stops its celebration There is silence for six months until in December we return to the stable in Bethlehem and start our celebration again What have we forgotten what do we neglect What are we missing Why has the celebration stopped at Pentecost Where is the mature Church the victorious Church Where is the promised Return of our Lord in His Father s Glory Where is the Bridegroom How much longer must the Bride wait Come with us as we learn the Rest of the Story and discover all we have missed because our celebrations stop at Pentecost God calls us to celebrate the entire story from beginning to end He promised his faithful remnant that he would return to them and they would dwell with him in His Presence He promised the rejoicing would have no end Come with us as we learn and celebrate the Rest of the Story A great tragedy of modern evangelical Christianity is the failure to either appreciate or to properly interpret the incredible significance of Israel s Feast Days The prophetic content of the feast days is normally given barely a summary acknowledgement and then forgotten Holly Snead has done the Christian community a great favor in bringing to the fore not only the typological significance of Israel s festal calendar but God s faithfulness in bringing all those feast days to final fulfillment in Christ s Parousia What she brings to the reader is tremendous and exciting insight into how the NT writers

applied Israel's feast days to the work of Christ. If you have never considered Israel's New Moons feast days and sabbaths as they relate to the End Times, you owe it to yourself to read this book. Whatever you do, read the Appendices. These special studies are more than worth the price of the book, all by themselves. Don K. Preston, D. Div. **Women and the Religion of Ancient Israel** Susan Ackerman, 2022-01-01. A synthetic reconstruction of women's religious engagement and experiences in preexilic Israel. This monumental book examines a wealth of data from the Bible, archaeology, and ancient Near Eastern texts and iconography to provide a clear, comprehensive, and compelling analysis of women's religious lives in preexilic times. Carol Meyers, Duke University. Throughout the biblical narrative, ancient Israelite religious life is dominated by male actors. When women appear, they are often seen only on the periphery as tangential, accidental, or passive participants. However, despite their absence from the written record, they were often deeply involved in religious practice and ritual observance. In this new volume, Susan Ackerman presents a comprehensive account of ancient Israelite women's religious lives and experiences. She examines the various sites of their practice, including household shrines, regional sanctuaries, and national temples; the calendar of religious rituals that women observed on a weekly, monthly, and yearly basis; and their special roles in religious settings. Drawing on texts, archaeology, and material culture, and documenting the distinctions between Israelite women's experiences and those of their male counterparts, Ackerman reconstructs an essential picture of women's lived religion in ancient Israelite culture.

*Behold, I AM* Joyce Lynn Wulf, 2023-11-13. It was a childlike question, but the answer was as stunning as it was profound. If God is light, what do the primary colors of the rainbow's spectrum signify? The Gospel of John declares in eight mysterious signs that God is light and Jesus Christ in the flesh was God sent to bring the light of true life to us. These enigmatic signs of light, semeion, imply the eight signs' significance pointed to something other than what they appeared. The themes of John's
