Finance: A Focused Approach (Fourth Edition) Suk Hi Kim, 2023-11-02 Global Corporate Finance A Focused Approach 4th edition GCF4 introduces students and practitioners to the principles that are essential to the understanding of global financial problems and the policies that global business managers contend with. The objective of this book is to equip current and future business leaders with the tools they need to interpret the issues to make sound global financial decisions and to manage the wide variety of risks that modern businesses face in a competitive global environment. In line with its objective, the book stresses practical applications in a concise and straightforward manner without complex treatment of theoretical concepts. All the chapters in the 4th edition have been updated to include new materials, eliminate unnecessary outdated materials, and include more non-US materials. Each chapter contains the following four new items: an opening mini case, a global finance in practice, a list of key terms at the end of each chapter, and a closing mini case. The GCF4 is suitable for appropriate courses no matter where in the world it is taught because it does not adopt any specific national viewpoint. Moreover, it is self-contained and it combines theory and applications. The earlier editions of the GCF4 have been adopted by many colleges, universities, and management development programs worldwide, particularly because the book stresses practical applications in a user-friendly format. Supplementary materials are available to instructors who adopt this textbook. These include:

**Consumer Behaviour and Digital Transformation** Ayantunji Gbadamosi, 2024-03-11 This comprehensive textbook explores how technological developments and emerging technologies impact on and engage with consumer behaviour and decision making globally. The book will enable readers to develop a coherent understanding of the basic underpinnings of consumer behaviour as they relate to individual and group-oriented consumption decisions, offering insight into how consumer behaviour, contemporary real-life situations, and digital technology are inextricably linked. Key learning objectives, exercises, and activities, boxed examples, and analytical frameworks facilitate and enrich students' learning. Each chapter includes pause plan and practice PPP activities as well as real-life case studies exploring digital consumption, digital consumer experiences, and digital trends across industries from global companies such as Nike and McDonald's to the digital transformation of SMEs. Combining a thorough examination of traditional theory with a fresh approach to the impact of digital transformation on consumer behaviour, this textbook should be core reading for advanced undergraduate and postgraduate students studying Consumer Behaviour, Consumer Psychology, Customer Experience Management, and Digital Marketing. This book will be accompanied by online resources for the use of instructors, including PowerPoint slides and a test bank.
