Copyright Office, 1967 **The British Television Pilot Episodes Research Guide 1936-2015** Christopher Perry, 2015-12 A new idea can become an expensive flop for TV executives So from the earliest days of television the concept of a pilot episode seemed like a good idea Trying out new actors new situations and new concepts before making a series was good economical sense It was also tax deductible Sometimes these pilots were shown on television sometimes they were so awful they were hidden from sight in archives and sometimes they were excellent one offs but a series seemed elusive and never materialised Chris Perry has always been fascinated by the pilot episode So many pilots are made annually but never seen by audiences Only a handful appear on screen It s a hidden world of comedy variety drama and factual programming This volume attempts to lift the lid on the world of the TV pilot by revealing the many transmitted and untransmitted episodes made through the decades Queenan Country Joe Queenan, 2007-04-01 In this hilarious romp through England one of America s preeminent humorists seeks the answer to an eternal question What makes the Brits tick One semitropical Fourth of July Joe Queenan s English wife suggested that the family might like a chicken vindaloo in lieu of the customary barbecue It was this pitiless act of gastronomic cultural oppression coupled with dread of the fearsome Christmas pudding that awaited him for dessert that inspired the author to make a solitary pilgrimage to Great Britain Freed from the obligation to visit an unending procession of Aunty Margarets and Cousin Robins as he had done for the first twenty six years of their marriage Queenan decided that

he would not come back from Albion until he had finally penetrated the limey heart of darkness His trip was not in vain Crisscrossing Old Blighty like Cromwell hunting Papists Queenan finally came to terms with the choochiness squiffiness ponciness and sticky wicketness that lie at the heart of the British character Here he is trying to find out whose idea it was to impale King Edward II on a red hot poker and what this says about English sexual politics Here he is in an Edinburgh pub foolishly trying to defend Paul McCartney s Ebony and Ivory And here he is trapped in a concert hall with a Coventry based all Brit Eagles tribute band named Talon who resent that they are nowhere near as famous as their evil nemeses the Illegal Eagles At the end of his epic adventure the author returns chastened none the wiser but encouraged that his wife is actually as sane as she is in light of her fellow countrymen
