

THE RUSSIANS' SECRET

PETER HOOVER with SERGUEI V. PETROV

The Russians Secret What Christians Today Would Survive Persecution

Hussin A.Rothana

The Russians Secret What Christians Today Would Survive Persecution:

The Russians' Secret Peter M. Hoover, Serguei V. Petrov, 1999 **The Russians' Secret** Peter Hoover, Serguei V. Petrov, 2014-10-28 Martyrdom in early Christian times already appealed to believers intent on doing great things for Christ. The early Christians venerated martyrs the dates of whose executions grew into a calendar of saints and wearing a martyr's halo is still extremely popular. But martyr's halos do not come in the mail. A great amount of persecution faced by Christians today results not from what they believe but from what they own and from where they come. Missionaries in poor countries lose their possessions and sometimes their lives because people associate them with foreign wealth. Other martyrs lose their lives in political conflict. But does having our vehicles and cameras stolen, our children kidnapped or being killed for political correctness assure that we have witnessed for Jesus, martyr means witness. Rev 6:9, 12, 17 and 19:10. Real martyrs for Christ do not wear halos. They only carry crosses. Most people even Christians quickly discredit and forget these martyrs. Real martyrs suffer persecution not like great heroes of the faith but like eccentrics and fools. Ordinary people usually consider them fanatics. Does that disappoint or alarm you? Do not worry. Reading this book about Russia's underground believers will assure you that if you are a typical Western Christian you will never face persecution. You will never have to be a real martyr for Christ. Only if you are not typical if you choose to be a weed that floats upstream you may want to know the secret by which Russian Christianity survived through a thousand years of suffering. True to the spirit of Russia's believers, this work gives a colorful and detailed description of faith underground. But what makes it unique is the author's penetration of the soul of Russian belief in so many ways dissimilar to Western belief in God. Leonid Maslennikov, Russian professor, James Madison University. Westerners have become increasingly aware of the Russian people's deep roots in Eastern Orthodoxy. The Russians Secret introduces us to another side of Russian Christianity not as well known in the West: the little traditions of sectarian mystical and evangelical faith that have always existed alongside the official Orthodox church. This book, written for the general reader, offers a sweeping and detailed view of those radical Christian movements without stooping to superficiality. William Rushby, member Rockingham Meeting of Conservative Friends and independent scholar. **Old Order Resurgence** Michael Hari, 2015-05-19. This book concerns evangelism in an Old German Baptist, Amish or Mennonite context. Mennonite Family History, 2000 *Eine baltisch-adlige Missionarin bewegt Europa* Debora Sommer, 2013-10-23. This doctoral thesis reintroduces Juliane von Krüdener, a largely forgotten historic figure, back into historical awareness. Particular attention is given to her role as a female missionary in Europe within the church history context of pietism and revival movements at the beginning of the 19th century. The investigation revolves around the question to what extent did this aristocratic ambassador's wife not just stir hearts but also have a transforming influence on the mission history of Europe. In addition, von Krüdener's specific female contribution is investigated. The climax of von Krüdener's missionary activity occurs between 1815 and 1818. It covers the time of her special influence on Tsar Alexander I, her missionary travels through

Switzerland and Germany and her effect on the spiritual revival movements happening in Western and Eastern Europe This Baltic German missionary used various social networks in particular the transnational and interdenominational network of the salon culture as inroads for her missional lifestyle The basis for the missiological role analysis in this paper is a thematic investigation into the life and activities of Juliane von Kr dener What stands out is the fact that her missionary role apart from her activities as Salonni re writer and evangelist also included charitable and political dimensions This case study on Juliane von Kr dener is an interdisciplinary research contribution but is also the first to offer extensive research from a theological perspective It addresses foundational questions about the role of women in mission and church history and is a testimony to the significant contribution of women to revival transformative processes during the 19th century Christianity Today Carl Ferdinand Howard Henry,1981 A fortnightly magazine of evangelical conviction Circulating Knowledge and Elites Sławomir Magala,2025-08-31 Intelligent bots manage the growth of knowledge and dream of saving our souls Flash mobs clash on streets and paradigms fight on screens Which politicians to trust and which scientists to believe The Ghanaian president Nana Akufo Addo declared the year 2019 The Year of Return for the descendants of the black Africans sold as slaves No social media The Polish Solidarity messaged the working class under the communists in 1981 No media No expert authorities Experts enjoyed authority after the successful production of the nuclear bomb in 1945 The pandemic plague after 2020 wiped the best and the brightest experts out To vax or not to vax remains a painfully open question Elon Musk joins the Royal Academy Clouds of knowledge accumulate This book explains why different drummers emerge Readers are encouraged to ask if the intelligent designs differ from the evolution guessed by the blind watchmakers **At the Limits of Justice** Suvendrini Perera,Sherene Razack,2014-09-24 The fear and violence that followed the events of September 11 2001 touched lives all around the world even in places that few would immediately associate with the global war on terror In At the Limits of Justice twenty nine contributors from six countries explore the proximity of terror in their own lives and in places ranging from Canada and the United States to Jamaica Palestine Israel Australia Guyana Chile Pakistan and across the African continent In this collection female scholars of colour including leading theorists on issues of indigeneity race and feminism examine the political social and personal repercussions of the war on terror through contributions that range from testimony and poetry to scholarly analysis Inspired by both the personal and the global impact of this violence within the war on terror they expose the way in which the war on terror is presented as a distant and foreign issue at the same time that it is deeply present in the lives of women and others all around the world An impassioned but rigorous examination of issues of race and gender in contemporary politics At the Limits of Justice is also a call to create moral communities which will find terror and violence unacceptable Under Caesar's Sword Daniel Philpott,Timothy Samuel Shah,2018-03-15 The first systematic global study of how Christians respond to persecution presenting new research by leading scholars of global Christianity **The Divine Mystery** Allen Upward,2013-11-08 Mr Allen Upward better known to fame as a war

correspondent has attempted to give us a reading of the history of Christianity down to the time of Christ and however much we may disagree with some of his conclusions we must at least applaud the sincerity and the originality as well as the erudition of his effort Mr Upward finds in the dawn of Christianity a story that has been told mystically from age to age Its words and signs are inherited from a primeval language from prehistoric peoples and from tales that are still the Bible of the peasant and the child It is he says a recrystallization of universal fears and hopes carried out in the crucible of a planetary heat wave whose coming had been more or less distinctly felt by a series of true prophets from Zoroaster to John the Baptist Mr Upward believes that Christ was an historical personage but that the story of his life is an allegorical repetition of the greater story that is as old as the world it self To this end he collects all the threads of folklore within his reach all the superstitions that perhaps are not superstitions and that tend to show the stirrings of a higher consciousness and knowledge that culminates in the genius and the savior If sometimes he seems to be inadequate or superficial we must remember the greatness the almost incredible magnitude of the quarries from which he hews Congressional Record United States.

Congress,1994 Christian Work ,1896 **Orthodox Revivalism in Russia** Milena Benovska,2020-10-12 Orthodoxy has achieved a large scale revival in Russia following the collapse of Communism However paradoxically although there is a high level of identification with Orthodoxy there is in fact a low level of church attendance This book based on in depth ethnographic fieldwork explores the social background and moral attitudes of the little flock of believers who actively participate in religious life It reveals that the complex moral beliefs of the faithful have a disproportionately high impact on Russian society overall that among the faithful there is a strong emphasis on striving for personal perfection but that also there are strong collective ideas concerning religious nationalism and the synergy between the secular and the religious

Can Christians Prove the Resurrection? Sandoval Chris Sandoval,Chris Sandoval,2010 Christian apologists like Josh McDowell Norman Geisler and William Lane Craig have claimed that the Resurrection of Jesus is the best proved fact of history As they tell the story the original eyewitnesses of the risen Jesus sacrificed their lives for their faith and people who knew Jesus during his lifetime would have challenged any errors in their testimony Allegedly these and many other lines of historical evidence prove the Resurrection beyond a reasonable doubt In Can Christians Prove the Resurrection the traditional Christian arguments for the Resurrection are analyzed and critiqued In reality we do not know how most of the apostles met their fates and religious sects like the Kimbanguists and Hasidic Jews have likewise proclaimed miracles and produced martyrs within the lifetimes of eyewitnesses who should have been able to set the record straight These and many other lines of evidence raise copious reasonable doubts regarding the claims of the apologists as this book demonstrates Once all the relevant evidence is examined it becomes clear that there is little likelihood that Jesus of Nazareth arose from the dead or that the Resurrection ever took place Eastern Europe, Russia and Central Asia 2003 ,2000 **Holy Rus'** John P. Burgess,2017-02-21 A fascinating vivid and on the ground account of Russian Orthodoxy s resurgence A bold

experiment is taking place in Russia After a century of being scarred by militant atheistic communism the Orthodox Church has become Russia s largest and most significant nongovernmental organization As it has returned to life it has pursued a vision of reclaiming Holy Rus that historical yet mythical homeland of the eastern Slavic peoples a foretaste of the perfect justice peace harmony and beauty for which religious believers long and the glimpse of heaven on earth that persuaded Prince Vladimir to accept Orthodox baptism in Crimea in A D 988 Through groundbreaking initiatives in religious education social ministry historical commemoration and parish life the Orthodox Church is seeking to shape a new post communist national identity for Russia In this eye opening and evocative book John Burgess examines Russian Orthodoxy s resurgence from a grassroots level providing Western readers with an enlightening inside look at the new Russia **Dissent on the**

Margins Emily B. Baran,2016 Emily B Baran offers a gripping history of how a small American based religious community the Jehovah s Witnesses found its way into the Soviet Union after World War II survived decades of brutal persecution and emerged as one of the region s fastest growing religions after the Soviet Union s collapse in 1991 In telling the story of this often misunderstood faith Baran explores the shifting boundaries of religious dissent non conformity and human rights in the Soviet Union and its successor states Soviet Jehovah s Witnesses are a fascinating case study of dissent beyond urban intellectual nonconformists Witnesses who were generally rural poorly educated and utterly marginalized from society resisted state pressure to conform They instead constructed alternative communities based on adherence to religious principles established by the Witnesses international center in Brooklyn New York The Soviet state considered Witnesses to be the most reactionary of all underground religious movements and used extraordinary measures to try to eliminate this threat Yet Witnesses survived while the Soviet system did not After 1991 they faced continuing challenges to their right to practice their faith in post Soviet states as these states struggled to reconcile the proper limits on freedom of conscience with European norms and domestic concerns **Dissent on the Margins** provides a new and important perspective on one of America s most understudied religious movements **Light from the Christian East** James R. Payton Jr.,2009-12-14 James R

Payton Jr introduces us to Eastern Orthodox history theology and practice For all readers interested in ancient ecumenical Christian theology and spirituality this book is especially open and sympathetic to what evangelicals can learn from orthodoxy

Religions Today Mary Pat Fisher,2013-11-19 Religions Today provides a sympathetic account of what living religions really are Fisher traces the historical development and practices of major religious movements and explores how these evolve into contemporary belief and teaching She considers major faiths as well as indigenous religions and new religious movements focusing on how living religions affect contemporary society Case studies and interviews with living people ensure that this concise guide is both readable and stimulating **The Review of Reviews** William Thomas

Stead,1892

Decoding **The Russians Secret What Christians Today Would Survive Persecution**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**The Russians Secret What Christians Today Would Survive Persecution**," a mesmerizing literary creation penned by a celebrated wordsmith, readers set about an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
