The Passion Of Jesus Christ By John Piper:

The Passion of Jesus Christ John Piper, 2004-01-01 *Grounded in the Faith* Ken Erisman, 2013-07-15 The greatest challenge for the twenty first century church is the lack of catechesis training in biblical and doctrinal knowledge As J I Packer states where wise catechesis has flourished the church has flourished and where it has been neglected the church has floundered It is increasingly apparent that we are raising up generations of Christians who often have little idea what they should believe and why they should believe it *Grounded in the Faith* takes up that challenge with twenty four low prep in depth sessions that will ground believers in the basics of their faith This new innovative guide is a transformational disciple making tool that leaders can immediately use to activate discipleship in the church It presents individuals small groups and Sunday school classes with a cohesive understanding of historic sound biblical theology that serves as a catalyst for deeper intimacy with Christ It is a user friendly guide to growth in the Christian faith that covers important topics such as justification overcoming temptation sanctification evidence for the inspiration of the Bible the value of prayer the guidance of God the Trinity the uniqueness of Christ and the attributes of God *The Cross in the Shadow of the Crescent* Erwin W. A. Carson,2010-07 Eminent evangelical theologian provides a basic introduction to the faith that traces the story of redemption through the Bible **But God...** Casey Lute,2011-05 Whether from the pen of Moses Paul or other biblical authors But God appears in various forms hundreds of times in the Bible To understand these two words as they are used in Scripture is to understand the gospel This book focuses on nine of the most important appearances of this key phrase drawing in numerous other passages of Scripture and in the process unfolding the magnificent drama of God s sovereign grace from his mercy on Noah to our security in a resurrected Savior Taken together this collection of brief Bible expositions provides a big picture overview of the consistent way in which God has chosen to save sinners It has always been by his might his power his grace and his initiative James Montgomery Boice wrote that If you understand those two words but God they will save your soul If you recall them daily and live by them they will transform your life completely **Looking to Christ: The Book of Hebrews** Marci Ogrosky,2014-07-31 Get ready to make the book of Hebrews your new favorite book of the Bible with the help of Looking to Christ an insightful evangelical study guide You will be encouraged to keep the faith by focusing on the person and work of Jesus Christ imitating the faith of Old Testament heroes and putting your faith into practice in spite of the challenges and doubts you face As your assurance of faith grows stronger you will be better prepared to joyfully persevere throughout life no matter what Every lesson in Looking to Christ gives background information asks questions and applies the truth of Scripture with a common sense approach that makes Hebrews accessible to all levels of Bible students Allow yourself to be transformed from the inside out Fill your mind with the truth of who Christ is and what He has done Let your heart be inspired by the example of faithful believers Give evidence of faith by your attitude and behavior Whether this is your first time studying Hebrews or your twentieth there are always new and deeper insights waiting for you It is time to grab your Bible and a pen sit down with Looking to Christ and

expect good things **Saving God's Face** Jackson Wu, 2013-04 Years ago the author had a startling realization Theologians and pastors have long taught on the glory of God and its central importance in the Bible However because he was living in East Asia it also dawned on the author that this sort of talk about God's glory praising Him and magnifying His name was simply another way of talking about honor and shame When the author looked at most theology and ministry related books he found that honor and shame seemed to be treated differently Anthropologists talked about honor shame but theologians largely focused more on legal metaphors The author could see both themes in Scripture but couldn't find help as to how to bring them together This study was developed in order to address this gap and bring those themes together Sign up for the WCIU Press newsletter to be notified about new books from this author and more <http://eepurl.com/rB15L> The Tithe James DeFazio, 2007-07 Prosperity theology is questionable at best yet many church leaders teach and some even demand the tithe of the Old Covenant as a method of giving This volume explains how to free oneself from the legalism of law and to give with the freedom and liberty of grace as led by the Holy Spirit Social Issues **Candle Grove** James Reynold Riley, 2011-12-29 Why do teenagers keep disappearing in Potterfield Is it the monsters rumored to be lurking in the forest The ghost ship that plies the waters of the lake Something sinister afoot in the halls of the abandoned mental hospital Or hostile spirits roaming the ruins of the old burnt capitol building Seven high school kids are about to learn these answers as they face the dangers of a town with more darkness than they ever imagined And come to grips with a faith they had always taken for granted until now *Introducing Christianity to Mormons* Eric Johnson, 2022-09-13 Share Jesus with Your LDS Friends and Family One of our greatest challenges as Christians is sharing the truth with those who believe they've already found it When witnessing to current or former members of The Church of Jesus Christ of Latter-day Saints it's essential that you can compassionately delineate biblical teachings from Mormon doctrine while tactfully advocating for Christ For every believer who prays for loved ones in the LDS Church or loved ones who gave up on religion after leaving Mormonism *Introducing Christianity to Mormons* is the guidebook you need to witness to them Inside you'll find real life conversations that give you helpful ideas for what to say in your discussions contrast points between Mormonism and Christianity that illuminate God's truth biblical apologetics that allow you to minister to former LDS members wounded by their experience with the Church Get ready to present the case for Christianity with confidence and grace This book will empower you to share your faith and give you the language to do so effectively with people in the Mormon community **Beliefs That Really Matter** Veerasammy Carpen, 2010-01-05 *Beliefs That Really Matter* is both exegetical and theological in nature and gives clarity to contemporary readers of subject matter that they may find themselves struggling with in living the Christian life Just to name a few topics that the author has discussed in *Beliefs That Really Matter* are a God Breathed Scripture b God's Plan of Grace c A New Beginning and d The Faith of One Man *Beliefs That Really Matter* makes people think about why they believe certain doctrines and to examine the doctrines whether if it is biblically sound The Christian life is unique which we cannot deny but

the real challenge for us is to live the Christian life according to God's standards and not ours. These concerns should be relevant and timely to the practicing Christian that this book represents. Each chapter of *Beliefs That Really Matter* is thought provoking and engages the readers not to settle for cheap messages of the gospel that our culture is so quickly to accept that lead many astray from the Bible. For example, cheap messages of the gospel do not develop the believer into a spiritual mature person but only leaves the believer to sink in their Christian experience and causes confusion for many and disappointment for others. No wonder many Christians face numerous spiritual challenges and find themselves drifting from the sacred writings. *Beliefs That Really Matter* points the professing Christian to study the Scriptures and to scoop out the meaning for themselves from God's Word that they begin to apply in their lives as having to form a firm foundation. Quite often we may read a book that does nothing for our spiritual growth and does not challenge certain teachings or examine the Scripture. In *Beliefs That Really Matter* the author exposes shallow Christian beliefs that resemble a grab bag and calls attention to the unique Word of God that shapes our lives for a firm foundation. *Beliefs That Really Matter* is written for college students, pastors, and lay leaders and for those who desire to grow in their spirituality and to experience a hunger for God's presence in their lives. For example, the reader would benefit tremendously from the book by doing a Bible study on their own, share in a small group discussion, to be used as a text for a Sunday school class, or to be used as a college text book in the discipline of Christian theology, especially in the area of applying soteriology. The contents of the book are clear and specific that does not leave the reader in the dark but rather motivate the reader to strengthen his faith and to connect with the sacred writings that feeds his soul. *Beliefs That Really Matter* is a wealth of information to the readers that enjoy responsible exegesis and theological explanation of words and their meanings, grammatical tenses, expressions, misunderstandings, and contradictions. Each chapter is concluded with a short study guide that enables the readers to think about their need for spiritual growth and enrichment and to dig into God's Word as hidden treasure.

Sincerely, Veerasammy Carpen

After The Passion is Gone J. Shawn Landres, Michael Berenbaum, 2004. Mel Gibson's *The Passion of the Christ* topped box office charts and changed the American religious conversation. The controversies it raised remain unsettled. In *After The Passion Is Gone: American Religious Consequences*, leading scholars of religion and theology ask what Gibson's film and the resulting controversy reveal about Christians, Jews, and the possibilities of interreligious dialogue in the United States. Landres and Berenbaum's collection moves beyond questions of whether or not the film was faithful to the gospels, too violent, or antisemitic and explores why the debate focused on these issues but not others. The public discussion of *The Passion* shed light on a wide range of American attitudes: evangelical, Protestant, mainline Protestant, Roman Catholic, and Jewish, about media and faith, politics and history, Jesus and Judaism, fundamentalism and victimhood. *After The Passion Is Gone* takes a unique view of vital points in Christian-Jewish relations and contemporary American religion.
