## **The Prime Minister By Anthony Trollope:**

**The Prime Minister** Anthony Trollope, 2017-10-13 Anthony Trollope 1815-1882 was a well known English novelist of the Victorian era. Among his most successful works is a series of novels known as the Chronicles of Barsetshire which revolve around the imaginary county of Barsetshire. *The Prime Minister* is the fifth novel in the Palliser series and was published in 1876.

*The Prime Minister* Anthony Trollope, 1973 Can a morally scrupulous English gentleman make an effective Prime Minister? This is one of the enduringly fascinating problems posed in *The Prime Minister* 1876. And as Plantagenet Palliser, Duke of Omnium, overenthusiastically supported by Lady Glencora, presides over the Coalition government, Trollope reaches into the highest echelons of the English establishment depicting political realities rather than ideology, portraying social, sexual, and domestic politics as well as the public variety. The world of the novel is perplexed and dominated by the handsome impostor Ferdinand Lopez. Even the Duke and Duchess are not immune to his malign influence as Lopez pursues Emily Wharton for her charm and her fortune and plots to win membership of that most exclusive of English clubs, the Houses of Parliament.

*The Prime Minister* is a novel by Anthony Trollope first published in 1876. It is the fifth of the Palliser series of novels. Summary: When neither the Whigs nor the Tories are able to form a government on their own, a fragile compromise coalition government is formed with Plantagenet Palliser, the wealthy and hard-working Duke of Omnium, installed as Prime Minister of the United Kingdom. The Duchess, formerly Lady Glencora Palliser, attempts to support her husband by hosting lavish parties at Gatherum Castle in Barsetshire, the family's largest country house, barely used until now. Palliser, initially unsure that he is fit to lead, then grows to enjoy the high office and finally becomes increasingly distressed when his government proves to be too weak and divided to accomplish anything. His own inflexible nature does not help. A significant sub-plot centres on Ferdinand Lopez, a financially overextended City adventurer of undisclosed parentage and doubtful ethnicity, possibly Jewish, who wins the favour of Emily Wharton. She marries him despite her father's objections in preference to Arthur Fletcher, who has always been in love with her. As in Trollope's earlier Palliser novel *Can You Forgive Her?* in which the heroine also has to choose between two suitors, the enticing and charismatic suitor is revealed to have many unpleasant traits. Here, Lopez's ethnic background is also presented as a factor against him, and Emily soon has cause to regret her choice. Lopez meets the Duchess at one of her parties, and Glencora unwisely encourages him to stand for Parliament. He campaigns against Arthur Fletcher but withdraws from the contest when he sees he has no chance of winning. Lopez writes to the Duke, insisting on being reimbursed for his election expenses since the Duchess had led him to believe that he would have the Duke's endorsement despite having his expenses
