From the modern master of Nordic suspense comes an explosive novel about a community in crisis and two brothers on the verge of losing everything they ve worked so hard to achieve By all accounts Carl and Roy Opgard are doing quite well for themselves Or at least they re doing as well as can be expected in a small town like Os Carl manages the area s swanky and successful spa and hotel while Roy runs a nearby gas station and harbors grand plans to build it out into an entire amusement park complete with a roller coaster But when news breaks about a new highway to be built nearby bypassing Os and leaving the town cutoff and isolated it s clear that something has to be done even if the methods are bound to be dirty Fortunately Carl

and Roy have experience with just that kind of work Meanwhile the town sheriff has gotten his hands on new technology that will enable him to take a deeper look at a slate of unsolved murders from years past including that of his own father And just as the sheriff reopens his investigation the death toll begins to climb It s like Roy says about his roller coaster Once it s rolling it s too late to get off *Blood Ties* is a tense compulsively readable tour de force about loyalty family ties and love that is as destructive as it is powerful *The Redbreast* Jo Nesbo,2009-11-02 Harry Hole drunkard loner and brilliant detective is reassigned to surveillance after a high profile mistake Hes bored by his new job until a report of a rare and unusual gun being fired sparks his interest because of its possible links to Neo Nazi activity Then a former soldier is found with his throat cut Next Harrys former partner is murdered Why had she been trying to reach Harry on the night her head was smashed in The investigation leads Harry to suspect that the crimes have their roots in the battlefields of Eastern Front during WWII In a quest that takes him to South Africa and Vienna Harry finds himself perpetually one step behind the killer He will be both winner and loser by the novel s nail biting conclusion *The Redbreast* Hes your judge jury and executionerAnd he must be stopped **A COMPENDIUM OF CLASSIC AND POSTMODERN NOVEL SUMMARIES** Vivian Siahaan,2019-08-03 This book is comprised of a compendium of summaries from all novels that I have read for almost twelve years Obviously the summaries have been documented on my blog since 2016 and seemingly in my opinion it is better bundled in a book form since the statistic views show that the classic fictions are those among most read so I rose to comply with that demand The purpose for which I devote myself to compose 85 summaries is to provide quick reading for novel readers and students Numerous genres are presented because I am quite concious those will bequeath you an imaginative horizon As a work of art many of them transcend their expiatory aspects And still more important to us than scientific significance and literary worth is the inspirational impact those novels have on serious readers Finally happy reading and I hope you will find this book useful **Blood on Snow** Jo Nesbø,2016-01-07 Olav lives the lonely life of a fixer When you fix people for a living terminally it s hard to get close to anyone Now he s finally met the woman of his dreams But there are two problems She s his boss s wife And Olav s just been hired to kill her From the bestselling author of BAFTA nominated *Headhunters* comes Jo Nesbo s *Blood on Snow* a short sharp shock of a thriller *The Stakes of Regulation* Steven L. Kaplan,2015-08-15 Scholars have long regarded Bread Politics and Political Economy in the Reign of Louis XV 1776 as marking an important moment in the study of the social political and cultural history of eighteenth century France *The Stakes of Regulation* is the companion volume to a new edition of this landmark study revealing how Kaplan s thinking has evolved in reaction both to the changing intellectual epistemological historiographical and socio political environment and to the significant scholarship that has been accomplished during the past forty years Kaplan remains faithful to his original premise that the subsistence question is at the core of eighteenth century history and that the issues joined by the struggle over liberalization continue to shape our destiny today through the bristling tension between liberty and equality and the debate over the necessity legitimacy and

**Encyclopedia of Nordic Crime Fiction** Mitzi M. Brunsdale, 2016-04-27 Since the late 1960s the novels of Sjöwall and Wahlöö's Martin Beck detective series along with the works of Henning Mankell Hakan Nesser and Stieg Larsson have sparked an explosion of Nordic crime fiction grim police procedurals treating urgent sociopolitical issues affecting the contemporary world Steeped in noir techniques and viewpoints many of these novels are reaching international audiences through film and television adaptations This reference guide introduces the world of Nordic crime fiction to English speaking readers Caught between the demands of conscience and societal strictures the detectives in these stories like the heroes of Norse mythology know that they and their world must perish but fight on regardless of cost At a time of bleak eventualities Nordic crime fiction interprets the bitter end as a celebration of the indomitable human spirit      **100 Inspiring Stories for Greater Success** Xavier Quentin Pranata, 2021-07-19 Sukses selalu menjadi impian bahkan tujuan yang dicari banyak orang demikian pula dengan orang-orang percaya Namun banyak cara yang ditempuh orang untuk menjadi sukses dan tidak kesemuanya ada dalam cara yang dikehendaki Tuhan Dengan jelas firman Tuhan diberikan sebagai petunjuk utama meraih kesuksesan sejati Tanpa kita sadari berbagai kisah hidup orang percaya juga menjadi bagian dari cara Tuhan menunjukkan cara meraih kesuksesan Kisah-kisah hidup tersebut bisa menjadi pengingat bijak bagi kesuksesan dalam berbagai aspek Melalui buku ini penulis mengupas berbagai kisah kehidupan dan aspek-aspeknya dalam terang firman Tuhan Hasilnya menjadi kumpulan kisah-kisah inspiratif dan penuh kebijakan menuju kesuksesan Bahkan bukan sekadar sukses buku ini mengajak kita dengan bijak menjadi semakin sukses      Beats: Book Reviews 2014 Manuel Augusto Antão, 2015-03-06 What

it means to me to be a critic reviewer For a lot of readers a reviewer or critic is an embittered failed novelist or worse a barely restrained serial rapist Book critics may take the form of a dilettante theorist essayist or even historian but almost never reviewers who sometimes lack the distancing from the text required by the demands of academia synthesis
